

Student Acknowledgement

As a courtesy to our students, Texas Wesleyan University will bill your employer's tuition reimbursement program, or other third party program, when we are provided an authorized and/or signed tuition reimbursement voucher from the student's current employer or program.

Texas Wesleyan University will bill your tuition reimbursement program, *however **the balance is ultimately the students responsibility***, should the student's tuition reimbursement program deny payment for any reason or refuse to pay the balance in a timely fashion. Should this happen, the tuition voucher will be added back to the student's account.

I _____ understand the terms and conditions of Texas Wesleyan University tuition reimbursement billing program. I agree to reimburse the University in full for any balance which has not been paid for by my employers tuition reimbursement program/voucher.

I also understand that I will need to complete this form for each semester that I apply for the tuition reimbursement program.
