Conference Info/Registration

# About the Conference

**Date:** March 28, 2015

**Time:** 9 a.m.—3 p.m.

**Where:** Texas Wesleyan University

**Cost:** \$5 (includes a morning snack, pizza lunch and a T- shirt)

**Who:** Young women in 7th and 8th grades. Parents and teachers are invited to the adult workshops and/or to volunteer.

# Conference Goals

- To increase your interest in STEM (Science, Technology, Engineering and Mathematics) and in the importance of taking these classes in middle school/high school
- To give you information about career opportunities for women in STEM (Science, Technology, Engineering and Mathematics) careers and to help you find out what you might like
- To introduce you to female role models who are working in STEM (Science, Technology, Engineering and Mathematics)
- To provide the opportunity for you to meet with other young women interested in STEM (Science, Technology, Engineering and Mathematics)

Opening Session

“Chemistry Magic Show”

9:30 a.m.—Sid Richardson Center

# Student Workshops

Please select two of the following workshops topics that you find the most interesting and enter those numbers on the student registration form (under workshop number).

You will be assigned to four workshops in a variety of areas. For one of your workshops, we will attempt to honor your choices, but assignments are on a first-come, first-served basis.\*\*

1. Architecture

2. Astronomy

3. Aviation

4. Biology/Botany

5. Business

6. Chemistry

7. Communications

8. Computer Science

9. Criminal Justice/Law

10. Dentistry

11. Engineering

12. Firefighting/EMT

13. Earth Science

14. Mathematics
