**ACC-3305 Accounting Essentials (3 Credits)**  
 Prerequisite: Required 30 cumulative credits. This course serves as a survey of the fundamental accounting principles utilized by both external and internal decision makers. Students completing this course will be able to read, understand, and interpret accounting information as well as to recognize how managers and external parties use it to assess the financial impacts of decisions. Coverage typically includes recognition, measurements and disclosure issues related to the remaining balance sheet accounts and resulting in basic understanding of the preparation of accounting information is a necessity and will be presented in this course. However, this course focuses on the use of accounting information rather than the preparation of accounting information (such as debits and credits).  
**Requisites:** None  
**Locations:** Main Campus, Online  
[View Available Sections for ACC-3305](#)

Use the Advanced Search to search for multiples courses in different subjects.

Step 1: Click on Advanced Search

The screenshot shows the 'Catalog Advanced Search' interface. A blue arrow points to the 'Advanced Search' tab, which is highlighted in blue. The page contains several search filters: 'Term' (dropdown), 'Meeting Start Date' and 'Meeting End Date' (text boxes), 'Courses And Sections' (three rows of 'Subject', 'Course number', and 'Section' dropdowns), '+ Add More...' button, 'Days Of Week' (checkboxes for Sunday through Wednesday), 'Location' (dropdown), 'Academic Level' (dropdown), 'Time Of Day' (dropdown), 'Time Starts by' and 'Time Ends by' (text boxes).

Step 2: Choose Term, Courses, Sections (this can be left blank if unknown), and click on “Add More” to add additional courses. Then click on “Search”

The screenshot shows the 'Catalog Advanced Search' interface with search criteria filled in. A blue arrow points to the 'Term' dropdown, which is set to '2024 Spring Term'. Another blue arrow points to the 'Subject' dropdown in the 'Courses And Sections' section, which is set to 'English'. A third blue arrow points to the '+ Add More...' button. A fourth blue arrow points to the 'Search' button at the bottom. The 'Courses And Sections' section now contains five rows: Accounting (3305), Speech (1301), English (1301), Mathematics (1302), and Academic Success Experience (111). The 'Search' button is highlighted in blue.

### Step 3: Courses will populate.

**ACC-3305 Accounting Essentials (3 Credits)**  
Prerequisite: Required 30 cumulative credits. This course serves as a survey of the fundamental accounting principles utilized by both external and internal decision makers. Students completing this course will be able to read, understand, and interpret accounting information as well as to recognize how managers and other decision-making in order to effectively use and interpret accounting information, a basic understanding of the preparation of accounting information is a necessity and will be presented in this course. However, this course focuses on the use of accounting information rather than the preparation of accounting information.

**MAT-1302 College Algebra (3 Credits)**  
Prerequisite: As indicated by the Texas Wesleyan University Mathematics Placement Exam or MAT 0301 at Texas Wesleyan University. Corequisite: MAT 1302. Set theory, real and complex number system, quadratic equations, quadratic formulas, equations involving radicals, inequalities, graphs of quadratic and rational functions of equations, matrices and determinants, and mathematical induction.

**ASE-1111 Freshman Success Exp (1 Credits)**  
Required for all first semester freshmen or freshmen transfer students with 11 or fewer completed credit hours or conditionally admitted students. This course is designed to address issues related to the successful transition from high school to the university. Campus orientation, college level study skills, and other transition if a student fails to achieve a passing grade in ASE 1111, the student will be required to retake the course the following semester until a passing grade is achieved.

**ENG-1301 Composition I (3 Credits)**  
Prerequisite: Satisfactory performance on the English Placement Exam or satisfactory completion of ENG 0305. English 1301 introduces key concepts and competencies of college level writing including the notion of writing as a process, the ability to recognize and respond to different rhetorical situations, an awareness of genre documentation practices. Students in ENG 1301 should expect to write and revise work in multiple genres and edit their writing to be grammatically and stylistically appropriate; they will also present their work in an end-of-semester portfolio.

Step 4: To see the available times and dates, click on “View Available Sections for XXX”. Seats are shown as Available/Capacity/Waitlisted. Waitlisted is not offered at TXWES.
