Navigators have know-how

Navigators are smart about their health care. Once you're a navigator, you can easily:

- **Find the right doctor — and save money.** Locate in-network doctors who accept your plan.
- **See what you owe.** Look up claims to see how much the plan paid and what you may have to pay.
- **Know your plan.** Check who is covered by your plan and what it covers.
- **Get valuable information.** See which doctors and hospitals have met extra standards for quality and efficiency.
- **Know costs before you go.** See cost estimates before you make an appointment for an office visit, test or procedure.
- **Get healthier.** Take a health assessment to learn about your health and how to lower your risks.
- **Check your health accounts.** Easily look up your health savings account* or health fund balances.

Easy-to-use tools help you make smart choices about your health.
