

Texas Wesleyan University Community Counseling Center

"Our mission is
service; our goal is
excellence."

Certificate of Completion

This is to certify that _____ has
successfully completed this Practicum Orientation required each
semester for all practicum I and pre-practicum graduate counseling
students on this day,

_____, 6pm-9pm. After attending the semester's first
Practicum I class, individual caseloads for the _____ semester may
accrue. This orientation is designed to supply each graduate counseling
student with the appropriate general and specific knowledge necessary
for efficient counseling center operation procedures as well as aspects of
personal and professional demeanor in delivery of services to each client
for future professional endeavors either public or private.
