About the Conference

Date: April 1, 2017

Time: 9 a.m.—3 p.m.

Where: Texas Wesleyan University

Cost: \$5 (includes a morning snack, pizza lunch and a T- shirt)

Who: Young women in 7th and 8th grades. Parents and teachers are invited to the adult workshops and/or to volunteer.

Conference Goals

To increase your interest in (Science, Technology, Engineering and Mathematics) STEM and in the importance of taking these classes in middle school/high school.

To give you information about career opportunities for women in STEM careers and to help you find out what you might like.

To introduce you to female role models who are working in STEM

To provide the opportunity for you to meet with other young women interested in STEM

Opening Session “Chemistry Magic Show”

9:30 a.m.—Sid Richardson Center

Student Workshops

Please select two of the following workshops topics that you find the most interesting and enter those numbers on the student registration form (under workshop number).

You will be assigned to four workshops in a variety of areas. For one of your workshops, we will attempt to honor your choices, but assignments are on a first-come, first-served basis.**

- | | |
