Chief Executive Officer Report (2021)

TO: Texas Wesleyan University Board of Trustees
FROM: Frederick Slabach, President and Chief Executive Officer
DATE: October 29, 2021
RE: Chief Executive Officer Reporting Requirements under Tex. Educ. Code § 51.253(c)

Under the Texas Education Code (TEC), Section 51.253(c), the institution's Chief Executive Officer is required to submit a report at least once during each fall or spring semester to the institution's governing body and post on the institution's internet website a report concerning the reports received by employees under the TEC, Section 51.252, concerning "sexual harassment," "sexual assault," "dating violence," or "stalking" as defined in the TEC, Section 51.251, and any disciplinary actions taken under TEC, Section 51.255.

For the purposes of complying with the Chief Executive Officer's reporting requirements under TEC, Section 51.253(c), the attached summary data report¹ includes all of the required reporting information to the Texas Wesleyan University's Board of Trustees for the time period of October 2, 2020 through October 1, 2021. The summary data report is categorized based on the reporting requirements under TEC, Section 51.253(c). The reports received may be applicable in multiple reporting categories, and therefore, the summary data in the categories may not add up to the totals of other categories.

The summary data report is also posted on the institution's website as per the public reporting requirements under TEC, Section 51.253(c) at [Texas Wesleyan University's Title IX website](#).

Note: Any additional reports received by the Title IX Coordinator that do not meet the required reporting criteria in the Texas Education Code have been omitted for the compliance purposes of this specific report.

¹ When identifiable, duplicate reports were consolidated and counted as one report in the summary data, and confidential employee reporting is noted as a sub-set to the total number of reports received.

² Not all reports of alleged sexual harassment, sexual assault, dating violence, and stalking against a student or employee are reflected in the CEO Report. Reports made by students and all other non-employees (including incidents under 19 Tex. Admin. Code Section 3.5(d)(3)) directly to the Title IX Coordinator are excluded. Further, if the Title IX Coordinator receives a report that a student or employee was a victim of sexual harassment, sexual assault, dating violence, or stalking prior to being enrolled at or employed by the institution, the report is excluded. Additionally, if a Title IX Coordinator or Deputy Coordinator determines that the type of incident described in a report, as alleged, does not constitute "sexual harassment," "sexual assault," "dating violence," or "stalking" as defined in the TEC, Section 51.251, the report is excluded. When identifiable, duplicate reports were consolidated and counted as one report in the summary data. For example, two employees may witness the same incident of sexual harassment and then report it to the Title IX Coordinator. If the Title IX Coordinator can identify the two reports as being the same incident, then the incident will be counted once. It is the responsibility of the Title IX Coordinator or Deputy Title IX Coordinator to assess each report received and determine whether it is properly included in this report, and if so, to correctly identify the type of incident.

³ A confidential report consists only of the "type of incident" from a confidential employee to the Title IX Coordinator; therefore, personally identifiable information is excluded under these circumstances. Examples of confidential employees may include victim advocates for students, student ombuds, or those who work in a counseling center or student health center.

⁴ "Disposition" means "final result under the institution's disciplinary process" as defined in the Texas Higher Education Coordinating Board's (THECB) rules for TEC, Section 51.259 [See 19 Texas Administrative Code, Section 3.6(3) (2019)]; therefore, pending disciplinary processes will not be listed until the final result is rendered.
