TEXAS WESLEYAN
HOUSING CONTRACT TERMS & CONDITIONS FOR THE RESIDENCE HALLS
Academic Year 2022-2023

1. TERMS OF AGREEMENT
   a. This contract is held between the student and Texas Wesleyan University. If the student is a minor, this is an agreement between the student, guardian, and the University.
   b. The University’s acceptance of this agreement (a room assignment or notice of the University’s acceptance of the contract, whichever comes first) guarantees student a space in a residence hall, not a specific building or room. Student’s assigned space may include a triple room.
   c. This agreement will be terminated immediately if student is suspended or dismissed from the residence hall or University. In any such instance, student agrees to vacate the residence hall and not return without written approval of the University. In the event of suspension student is still responsible for the full cost of room and board.
   d. Student’s electronic signature and deposit payment indicate student’s agreement to the terms and conditions of the contract. This agreement becomes binding seven (7) days after student receives notice of room assignment, or when the student takes possession of the room, whichever comes first.
   e. No verbal statement by any party is considered an agreement or waiver of any term or condition, whether expressed or implied. This document constitutes the entire agreement of the parties.

2. ELIGIBILITY

Student is expected to utilize resources available to provide care for themselves. Students with the inability or perceived inability to care for themselves and/or who cause harm to themselves or others may be asked to adhere to an action plan and/or face suspension from the residence halls.
   d. If student’s physical or mental health may jeopardize their or another resident’s safety or well-being, student may be required to have an examination by a physician or university counselor to determine if they have the ability to live safely and independently in an unsupervised environment. If the physician or counselor determines that a health or safety concern exists, the Director of Housing and Residence Life/designee may amend or suspend student’s housing contract.
   e. Subject to applicable obligations and University policy, the University reserves the right to determine that a student’s medical condition, past behavior, and/or criminal activity is such that the interest of the University, the student, and/or other students would be best served by alteration or cancelation of the housing contract. If the University becomes aware that student has a record of criminal conviction(s) or other actions indicating behavior that could pose a risk to person or property and/or could be injurious or disruptive to the residence hall community or learning environment, the University may not accept student’s application or may immediately terminate the contract.
