

**DURING YOUR SESSION:**

- **Wear nice clothes** that you'd wear to class, especially your Wesleyan gear. Button-up's, blouses and polo shirts are preferred over t-shirts — except for nice Wesleyan tees. *Please don't wear other college shirts or heavily labeled/branded shirts, etc.*
- **Bring your backpacks, books, laptops, etc.** Mostly so you can study during setups, but we'll be using them as props in the photos as we want to show you as real students in class.
- You'll see these photos **used throughout the year** (and beyond!) on our website, in our admissions materials and in other media designed to promote Texas Wesleyan.
