Mission

Our mission at Texas Wesleyan University is to develop students to their full potential as individuals and as members of the world community.

Texas Wesleyan University, founded in 1890 in Fort Worth, is a United Methodist institution with a tradition in the liberal arts and sciences and a focus on professional and career preparation. The University is committed to the principles that each student deserves personal attention and that all members of the academic community must have freedom to pursue independent thought and to exercise intellectual curiosity.

The University endeavors to create a learning environment where each student is provided an opportunity to pursue individual excellence, to think clearly and creatively, and to communicate effectively. The University also strives to develop a sense of civic responsibility and spiritual sensitivity, with a commitment to moral discrimination and action. Texas Wesleyan University strives to develop informed, responsible, and articulate citizens.

The University actively seeks and employs faculty and staff with commitment and dedication to teaching, inspiring, and serving students. Texas Wesleyan University recognizes its responsibility to the community by providing leadership and talent through programs that enable and enrich society. Undergraduate and graduate programs are offered on campus and through distance education. Faculty scholarship informs teaching and advances knowledge and understanding.

History

Texas Wesleyan University was founded by the Methodist Episcopal Church, South, in 1890 on a site east of Fort Worth donated by area pioneers, A. S. Hall, W. D. Hall, and George Tandy. Originally named Polytechnic College, the school held its first classes in September 1891, with a handful of faculty members and 111 students.

In the early 20th century, H.A. Boaz conceived the idea of a new university for Southern Methodism and planned to develop Polytechnic College into that university. When Southern Methodist University was established in Dallas, the Polytechnic campus was designated the Woman’s College for Southern Methodism. Texas Woman’s College, as it became in 1914, developed into a major force in North Texas. However, faced with dwindling resources during the Depression, trustees voted to close the school in 1931. A merger with the financially secure Texas Wesleyan Academy in Austin kept the doors open and created the new, co-educational institution of Texas Wesleyan College in 1934. Since then, Texas Wesleyan has remained a co-educational, liberal arts-based institution with an increasingly comprehensive academic and student life program.

In addition to strong undergraduate programs, the University added graduate programs in education in the 1970s, and nurse anesthesia and graduate business programs in the 1980s. The University assumed control of the Nurse Anesthesia Program at Harris Methodist Hospital and the program, now known as the Graduate Program in Nurse Anesthesia and accredited by the Council of Accreditation of Nurse Anesthesia, is the
Texas Wesleyan has historically combined service to a residential population along with its strong commitment to a commuting and adult population. To add flexibility in the scheduling of courses and to recognize the special needs of adult learners, the University added the C.E. Hyde Weekend/Evening Program in 1994. The University established a campus in downtown Fort Worth in 1997 with the relocation of the Texas Wesleyan University School of Law, which was established in 1992 and is fully accredited by the American Bar Association.

Texas Wesleyan continues to grow in the 21st century. The psychology department moved into its new home, the Nenetta Burton Carter Building in 2001, and a new building for the Graduate Program in Nurse Anesthesia opened in 2003. A graduate program in counseling was added in 2004. In 2005, Texas Wesleyan opened its first apartment-style dormitory for students and completed renovations of the Polytechnic United Methodist Church. In 2007, the Ed and Rae Schollmaier Science and Technology Center opened as well as the Louella Baker-Martin Pavilion. In 2008, the historic Baker Building was renovated, and Texas Wesleyan established the Doctorate of Nurse Anesthesia Practice and, in 2009, the Doctor of Education. In 2010, the Claudia Stepp Scene shop opened for use by the theatre department, and the University unveiled the new Jack and Jo Willa Morton Fitness Center.

In 2012, Texas Wesleyan University and Texas A&M University announced its intention to enter into a long-term relationship that would include the acquisition by Texas A&M University of the Texas Wesleyan University School of Law. The contemplated relationship and the acquisition of the law school by Texas A&M University remain subject to certain conditions and approvals including the negotiation, execution, and performance of mutually agreeable definitive agreements.
Graduate Admission

Texas Wesleyan University welcomes students from a variety of educational, ethnic, and religious backgrounds and experiences and seeks to provide an opportunity for those who will benefit from a Texas Wesleyan education. Students, who hold a bachelor's degree or equivalent from an accredited university or college, and beyond, are invited to apply for graduate admission. All applicants are reviewed on an individual basis based on the admission requirements of the program to which they are applying.

Admission Application

Individuals interested in applying for admission should consult the section of the catalog applicable to the program in which they are interested. There may be more specific requirements listed.

The following documents are required for admission consideration:

1. Application for admission.
2. Application fee.
3. Official transcripts from all institutions of higher education attended.
4. Evidence of English proficiency.
5. Other documents as required by the graduate program to which the student is applying, such as official graduate test score results, letters of recommendation, and other documents specified by the program.

Texas Wesleyan University reserves the right to process background checks on any applicants prior to admission to the University. Information pertaining to the admission of a student shall become the property of the University.

English Proficiency

All applicants must show evidence of English proficiency. Minimum requirements for graduate admission to the University are outlined below. Requirements for individual graduate programs may be higher.

Official evidence of English proficiency may be shown through one of the following*:

c. IELTS score of 6.5;
d. Other appropriate documents supporting English proficiency (approved as proof of English proficiency by Texas Wesleyan University only in rare circumstances).

*Note: The University is the sole judge of a student's English proficiency.
Admission Status

Each application for admission is individually reviewed by the appropriate graduate program under the guidelines for that program.

Regular Academic Acceptance—Granted to applicants who meet the regular criteria as outlined by each admission standard.

Probationary or Conditional Academic Acceptance—Granted in certain cases to students who do not meet all regular criteria but who show potential for success. This category is not available in all programs.

Denied—Students who do not meet minimum requirements for regular or conditional admission will be denied. Any student may be denied admission at the sole discretion of the University.

Admission of International Students

Texas Wesleyan University welcomes applications from international students. International students seeking admission to Texas Wesleyan University must hold the equivalent of a U.S. bachelor’s degree, be proficient in English, meet program and international admission requirements. For complete application instructions, international applicants should refer to the International Student Application or go to the Texas Wesleyan international program’s web site at http://www.txwes.edu/admissions/international. Applicants may also contact the International Programs Office at 817/531-5868.

For admission consideration, international applicants must submit the following:

Note: The University is the sole judge of a student's English proficiency.

To be issued Form I-20, international applicants must be admitted to the academic program and must submit evidence of sufficient funding for the period of study in the U.S.

Prior to registration, proof of medical insurance approved by Texas Wesleyan University is required.

**Provisional Enrollment**

A student whose admission file is incomplete at the time of registration may be permitted by certain programs to enroll by signing a Provisional Admission form. Early submission of application materials is recommended to preclude last-minute problems in registration. A hold will be placed on all incomplete files which will prevent grades from being released and will prevent permission to register.

**Non-Degree Seeking Student**

Graduate students may take no more than 12 graduate credit hours before acceptance into one of the graduate programs of the University. Students may take courses on a non-degree seeking basis only with the permission of the program in which the courses are offered and after submission of the general admission application (see the Admission Application section in this catalog).

**Admission of Former Students**

Any former Texas Wesleyan student who has not been enrolled at Texas Wesleyan University for two or more consecutive semesters and who wishes to return should contact the Office of Graduate Admissions for information on readmission.

**Bacterial Meningitis Immunization**

The 82nd Texas Legislature approved Senate Bill 1107, requiring all new students under the age of 30 to submit evidence of being immunized against bacterial meningitis. This vaccination requirement under Chapter 21, Student Services, Subchapter T, Sections 21.610 – 21.614 applies to:

- All first-time freshmen
- All new transfer students
- All new graduate and law students
- All returning students who have experienced a break in their enrollment of at least one fall or spring semester.

**LIMITED EXCEPTIONS**

The following students are not required to submit proof of receiving a bacterial meningitis vaccination:

- Students who are 30 years of age or over
- Students enrolled only in online or other distance education courses

Applicants for financial assistance programs must be admitted to the University before aid is awarded. Applicants must file the Free Application for Federal Student Aid (FAFSA) as soon after January 1 of each year as possible and complete the Texas Wesleyan University Financial Aid Application. The FAFSA may be accessed at www.fafsa.ed.gov. The priority awarding date for receipt of all financial aid forms by the Office of Financial Aid is April 1. Applications received after the priority awarding date will be awarded based on a funds available basis.

Students may receive financial aid from a variety of sources. Scholarships, federal and state grants, institutional grants, work programs, and/or loan programs are combined to create the financial aid award. When possible, the reduction will take place in either the employment or loan programs.

5. Students must enroll full time in order to receive full-time financial aid. Full-time enrollment status for graduate students is defined as being enrolled in at least 9 credit hours at Texas Wesleyan University each semester. Academic Policies

GRADING

A grade is assigned for each course in which a student is regularly enrolled. A passing grade may be earned only if the student is enrolled for the duration of the course.

The following grades are used by Texas Wesleyan University:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Description</th>
<th>Grade Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>Excellent</td>
<td>4.0</td>
</tr>
<tr>
<td>B</td>
<td>Above average</td>
<td>3.0</td>
</tr>
<tr>
<td>C</td>
<td>Average</td>
<td>2.0</td>
</tr>
<tr>
<td>D</td>
<td>Below average</td>
<td>1.0</td>
</tr>
<tr>
<td>F</td>
<td>Failing</td>
<td>0.0</td>
</tr>
<tr>
<td>P</td>
<td>Passing</td>
<td>*</td>
</tr>
</tbody>
</table>

* Not counted in calculating grade point average (GPA)

The following may appear on the transcript in lieu of a grade but are not included in the GPA calculation:

- AU Audit
- CIP Course in Progress
- CR Credit
- DP Dropped
- I Incomplete
- NR No Grade Reported
- T Temporary
- W Withdrawal

* Not counted in calculating grade point average (GPA)

The grade “I” (incomplete) is given only when the student's work is satisfactory but, for reasons beyond the control of the student, has not been completed. Both students and instructors should note that an “I” is not given in lieu of an “F” (failing). It is the responsibility of the student to confer
with the instructor of the course and to complete the prescribed requirements of
the course by the designated date shown in the University Academic Calendar. For each “I” assigned, the instructor will file an Incomplete Grade Form with the Office of Student Records. On or before the designated date, the instructor will assign a grade and report it to the Office of Student Records. If a new grade is not reported by the designated date, the “I” will automatically convert to an “F.” Once an “F” is given, it cannot be changed without repeating the course in which it was given. No grade changes may be made after one (1) year from the time the grade was originally issued. This limit also applies to grades issued following completion of an “incomplete” (I) grade.

The grade “T” is a temporary grade assigned if a course extends beyond the regular semester dates. This grade is not used in lieu of an “I” but is given to students who are enrolled in courses in which grades will not be available until after the regular semester ends. Examples of such courses are Weekend University summer courses, EDU 2300, NSC 1410, and certain courses taken abroad.

It is possible for a student to take a maximum of five elective courses (15 hours) toward a degree in which she/he may choose to be graded on a “P/F” basis. Courses in which the grades of “P” or “F” are regularly awarded to all students enrolled do not count among these five courses. Students may not choose to receive a grade of “P” or “F” in any course that is a general education curriculum requirement or a specific departmental requirement for a major, a minor, or a certificate. A student may enroll in only one of these five elective courses in any given semester and must have written permission prior to enrolling from her/his major advisor, the instructor, and the dean of the student's major.

A factor in determining a student's grade in any course will be competency in the use of written and spoken English.

Students can order official transcripts through the online transcript service at www.txwes.edu/academics/registrar/transcripts. Students may also complete a request in the Office of Student Records. Weekend classes may be scheduled on Track A, B, or C. Track A and B courses meet on alternate weekends, seven times per semester in four-hour sessions. Track C courses meet every weekend for two and one-half hour sessions. Track A and B meeting times are 8:00 a.m.–12:00 p.m. and 1:00 p.m.–5:00 p.m. unless otherwise indicated in the schedule. Track C meeting times may vary but are usually scheduled from 8:00 a.m.–10:30 a.m., 10:30 a.m.–1:00 p.m., 8:00 a.m.–12:00 p.m., or 1:00 p.m.–3:30 p.m.

Most evening courses meet once per week for two and one-half hour sessions per week. Several evening courses meet twice weekly and these session times vary. Evening courses are considered those beginning at 4:30 p.m. or later.

Weekend and evening courses cover the same content as traditional courses but are organized in a time-intensive arrangement requiring self-direction and pacing by each student. Since these classes meet fewer times per week than most day classes, attendance is critical to the student’s success. **Instructors may require assignments due the first time class meets.** For more information, check the website for syllabi under “Courses Offered” at [http://txwes.edu/academics/eveningWeekend.aspx](http://txwes.edu/academics/eveningWeekend.aspx).

Bachelor of Business Administration/
Master of Business Administration
in Accounting

The joint B.B.A./M.B.A. degree with a specialty in accounting is designed for the student who desires both an undergraduate degree in accounting and an advanced degree specializing in accounting. Students who complete the joint B.B.A./M.B.A. degree program also meet the 150-credit-hour requirement to be licensed as a CPA upon successful completion of the CPA examination and the experience requirement for certification. By meeting requirements for the two degrees simultaneously, the student may earn the B.B.A. and M.B.A. degrees in a shorter length of time than would be the case if each degree were pursued consecutively.

Applicants are initially admitted into the Bachelor of Business Administration with a major in Business Administration and an Accounting Concentration and follow that program’s requirements. Students may apply for admission into the M.B.A. program upon completion of 90 undergraduate credit hours in their junior year and are admitted to the M.B.A. program in their senior year. Admission to the Fifth Year Option in Education

Available only to Wesleyan undergraduates who are EC-6 Bilingual majors and EC-6 Generalist with ESL Certification, the Fifth Year Option gives outstanding students the opportunity to complete a bachelor’s degree (B.A. or B.S.) and a Master of Education (M.Ed.) within five years. To be considered for admission to the Fifth Year Option, students must submit a Fifth Year Option application after the semester they complete 90 hours of undergraduate level coursework. Only Fifth Year Option applicants demonstrating superior undergraduate academic performance and strong recommendations from faculty members will be considered for admission to the Fifth Year Option. If admitted to the Fifth Year Option, a student may complete up to 9 semester hours of graduate level coursework during the fourth year of undergraduate study. At the end of the fourth year, the student’s B.A. or B.S. will be posted and the student will continue taking the rest of the graduate level coursework required to obtain the M.Ed.

During the fifth year at Texas Wesleyan University, the student will complete the remaining graduate level coursework required for graduation from the M.Ed. program.

FIFTH YEAR OPTION DEGREE PROGRAM
BACHELOR OF ARTS/MASTER OF EDUCATION (B.A./M.Ed.)
BACHELOR OF SCIENCE/MASTER OF EDUCATION (B.S./M.Ed.)

The Fifth Year Option B.A. or B.S./M.Ed. program provides students with an EC-6 Bilingual or EC-6 Generalist with ESL Certification undergraduate degree in education and a Master of Education degree with a concentration in one of the following fields of study: reading, gifted and talented education, or second language education and culture. By meeting requirements for the two degrees simultaneously, students are able to earn the B.A. or B.S. and M.Ed. degrees within five years, a length of time shorter than if each of the degrees were pursued separately. Completing the M.Ed. in one year assumes that the student follows the prescribed degree plan. Any deviation from the degree plan may prolong the completion of the degree. The combined B.A. or B.S./M.Ed. degree program enables students who plan to become Texas certified teachers the capability to complete all certification requirements.
The two degrees may be completed in approximately five years. Applicants are initially admitted into the Teacher Education program and must follow the degree requirements for the EC-6 Bilingual or the EC-6 Generalist with ESL Certification programs. Applicants to the Fifth Year Option degree program must meet the admission requirements of both the undergraduate and the graduate programs (where applicable) and follow the application procedures for the respective programs.

Enrollment in the Fifth Year Option must be continual and in consecutive semesters. If a Fifth Year Option student does not enroll continuously or consecutively, her/his degree plan will default to the standard 36-hour M.Ed. program.

ADMISSION CRITERIA

Applicants to the Fifth Year Option B.A. or B.S./M.Ed. program must meet the admission requirements of both the undergraduate and the graduate programs and follow the application procedures for the respective programs. Please see the Undergraduate Catalog for undergraduate admission requirements into the Teacher Education Program (2.5 GPA, appropriate THEA scores, completion of Edu 2300). M.Ed. admission decisions are based on an overall evaluation of the items listed below to estimate an applicant’s potential for success in the graduate program. In order to assure success in a graduate program, admission requirements for the combined B.A. or B.S./M.Ed. graduate program are as follows:

1. Be fully admitted into the Teacher Education Program;
2. Overall GPA of 3.0 or higher or a GRE score of 900 or greater: Minimum scores are subject to change upon revision to graduate admissions test;
3. A letter of recommendation from an educator or employer is required showing that the applicant is motivated to achieve, has the capacity to contribute to the learning process, and will bring real life experience to the program, and will enhance the overall experience of other graduate students;
4. Two additional letters of recommendation from Wesleyan undergraduate Education faculty members are required;
5. A current resume or vita to assess professional and academic preparation for graduate studies;
6. An interview with Graduate Admission faculty committee and a writing sample is required in order to demonstrate English proficiency, critical thinking and analytical writing skills.

ADMISSION PROCESS

All Master of Education admission decisions are based on an overall evaluation of the items listed under the Admission Criteria section to estimate an applicant’s potential for success in the graduate program. As part of the admission’s process, students are required to submit the following documents:

1. Letter of Formal Acceptance into the Teacher Education Program;
2. Completed graduate admission application with payment of $50 application fee by the required deadline. The fee is non-refundable
regardless of whether the application is withdrawn or admission is denied;

3. Official transcripts from all colleges/universities attended;

4. A letter of recommendation from an educator or employer and two additional letters of recommendation from Wesleyan undergraduate Education faculty members are required (see admission criteria);

5. GRE scores as appropriate: Minimum scores are subject to change upon revision to graduate admissions tests;

6. A current resume or vita to assess professional and academic preparation for graduate studies;

7. Writing Sample: Students will schedule a time to complete an on-campus writing sample.

The last day to complete applications for one-time fall admission is June 15.

**FIFTH YEAR OPTION B.A. OR B.S./M.Ed. GRADUATION REQUIREMENTS**

1. Complete the required 30 semester hours of graduate level coursework from Texas Wesleyan University beyond the undergraduate credit hours required for the undergraduate degree;

2. A cumulative GPA of at least a 3.0 on all graduate level coursework;

3. A cumulative GPA of at least a 3.0 on all undergraduate and graduate level coursework;

4. Continual and consecutive enrollment in the required Fifth Year Option coursework;

5. Completion of 15 hours of graduate level concentration coursework in Gifted and Talented Education, Reading, or Second Language Education and Culture as part of the 30 hours of graduate level coursework required for graduation.

Students may elect to complete 2 or more concentrations.

Application for graduation must be filed in the Office of Student Records no later than the date listed in the catalog calendar.

All course work applicable to the master's degree must be completed within seven years from the date that the student was admitted to the program. Any request for an extension must be submitted in writing to the Director of the Graduate Studies in Education and approved by the Graduate Advisory Committee.
Degree Requirements for Master’s Programs in Education

MAJOR/DEGREES

Bachelor of Science or Arts/Master of Education
Standard Texas Certificate

The Fifth Year Option B.S. or B.A./M.Ed. program provides students with an undergraduate degree in education and with a Master in Education degree with a concentration in Gifted and Talented Education, or Reading Education, or in Second Language Education and Culture. By meeting requirements for the two degrees simultaneously, students are able to earn the B.S. or B.A./M.Ed. in a shorter length of time than if each of these degrees were pursued separately. The combined B.S. or B.A./M.Ed. degree program gives students who plan to become Texas certified teachers the capability to complete the certification program hours of study required by the Texas State Board of Education. The two degrees may be completed in approximately five years. Enrollment must be continual and in consecutive semesters. Applicants are initially admitted into the Teacher Education Program and must follow the degree requirements of the program. Students must apply for the M.Ed. program after completing 90 hours. Applicants to the Fifth Year Option degree program must meet the admission requirements of both the undergraduate and the graduate programs, and follow the application procedures for the respective programs.

A Fifth Year Option education student will be transitioned from undergraduate (UG) status to graduate (GR) status by the Registrar’s office at the time of his/her graduation from the undergraduate program. The student will be allowed to enroll in up to 9 hours of graduate classes during his/her final undergraduate semesters. These classes will not count towards the undergraduate hours, but will count towards the graduate hours; these classes will be moved to the appropriate transcript by the Registrar’s office. The student will continue to receive undergraduate financial aid through the final semester of undergraduate course work (generally when student teaching takes place). The student’s first semester as a graduate student will be immediately following degree posting and consist of only graduate classes. At that time, his/her account will be coded as a GR student and managed accordingly by the Financial Aid office. Any questions regarding aid awards as a graduate student should be directed to the Office of Financial Aid.

Requirements for EC-6 and Secondary Internship or Student Teaching

All students pursuing teacher certification are required to complete student teaching. Student teaching is completed in the final semester of the senior year with a 14-week assignment in one school or two 7-week assignments in two grade levels. Students are required to discuss all student teaching guidelines with their advisor.

A candidate for student teaching must complete the following requirements prior to student teaching/internship:
• Be within six hours of completing all required coursework.
• Have an overall grade point average of at least 2.5.
• Have a GPA of at least 2.5 in education course work.
• Have a GPA of at least 2.5 in all content specific coursework (secondary students only).
• Have no grade below “C” in education/reading courses.
• Be admitted to the Teacher Education Program via EDU 2300 within the last five years before student teaching/internship.
• Complete the student teaching application by October 1 for the students enrolling in the spring semester and by February 1 for students enrolling in the fall semester.
• There are no internships or student teaching assignments during the summer.
• Be approved by the Teacher Education Committee for internship/student teaching.
• Have a final degree plan on file in the Office of Student Records and the Department of Education.
• Have completed and verified all required field observations and experiences.

Student teaching is a “P” (pass) or “F” (fail) course.

Through the cooperation of various local school districts, arrangements have been made to use their facilities for laboratory purposes. When students are engaged in field experiences, observations, and/or student teaching, students are required to follow the policies and regulations of the school district. Student teachers will observe the public school holidays and not the University holidays while in their assignment. See Student Teaching Handbook for more details.

A student may apply for graduation without completing Student Teaching. Education students who have completed all required coursework may request to graduate without certification. The student must submit a letter to the Certification Officer outlining the reasons for the request. The letter should be submitted along with a completed application for student teaching/internship and all required documentation. The Teacher Education Committee (TEC) will consider the student’s request. If the request is approved by the TEC, the student will be permitted to graduate without certification. A student cannot be recommended for certification until the student teaching/internship requirement is met.
