University Calendar

ACADEMIC CALENDAR

The University offers courses on a semester basis. The regularly scheduled fall semester runs from late August to mid-December and the spring semester from January to mid-May. The summer program includes a wide range of courses offered in both a traditional summer session and in workshop formats. The University also offers special interterm courses between the fall and spring semesters and between the spring semester and first summer term. Compressed classes also are offered during the fall and spring semesters. Add/drop dates for these particular classes will be listed on the course syllabi. The most current version of the Academic Calendar is available on the Registrar’s web page on the Texas Wesleyan web site, www.txwes.edu/registrar.

THE UNIVERSITY

Mission

Our mission at Texas Wesleyan University is to develop students to their full potential as individuals and as members of the world community.

Texas Wesleyan University, founded in 1890 in Fort Worth, is a United Methodist institution with a tradition in the liberal arts and sciences and a focus on professional and career preparation.

The University is committed to the principles that each student deserves personal attention and that all members of the academic community must have freedom to pursue independent thought and to exercise intellectual curiosity.

The University endeavors to create a learning environment where each student is provided an opportunity to pursue individual excellence, to think clearly and creatively, and to communicate effectively. The University also strives to develop a sense of civic responsibility and spiritual sensitivity, with a commitment to moral discrimination and action. Texas Wesleyan University strives to develop informed, responsible, and articulate citizens.

The University actively seeks and employs faculty and staff with commitment and dedication to teaching, inspiring, and serving students. Texas Wesleyan University recognizes its responsibility to the community by providing leadership and talent through programs that enable and enrich society.

Undergraduate and graduate programs are offered on campus and through distance education. Faculty scholarship informs teaching and advances knowledge and understanding.

Organization

The governance of the University is vested in a Board of Trustees, as provided in its 1890 charter. The board delegates to an executive committee the authority to conduct the business of the University.

The board meets in regular session semi-annually and at other times as needed. The board elects the President, manages the property of the corporation, and determines general policy. The organizational structure of the University fosters a student-centered approach to learning. Reporting to the President are the Provost and Senior Vice President with the responsibility for all academic matters, institutional research, and sponsored programs as well as information technology; the Vice President of Finance and Administration with responsibility for finance and budget, administrative services, and human resources; the Vice President for University Advancement with responsibility for development and alumni affairs; the Vice President for Marketing and Communications with responsibilities for designing and coordinating University marketing and communication to both internal and external markets; the Vice President of Enrollment and Student Services with responsibilities for admission, student engagement and student services; the Chief of Staff with responsibilities for managing the President’s office and staff, advising and assisting the President, and serving as a liaison with the board of trustees,
The University faculty, staff, and external constituencies; the University resident chaplain; the Athletic Director with responsibility to manage the operations of the athletic department and administer intercollegiate athletics.

The academic schools and programs reporting to the Provost include the Schools of Arts and Letters, Business Administration, Education, and Natural and Social Sciences led by the dean of each respective school, and the Graduate Programs of Nurse Anesthesia led by a director.

Members of the Board of Trustees, principal administrative officers, and administrative staff are listed in the back of this addendum.

**Some minor reorganization made.

Special University Programs

**ROBING AND HOODING CONVOCATION**

From the time this institution was founded in 1890, a strong bond has united members of the faculty with members of the student body. This close relationship has developed because of the desire of the faculty to teach more than the subject matter and because Texas Wesleyan University students have wanted to learn and understand the beliefs, philosophies, and attitudes of the instructors and professors. Throughout the more than 100 years of the University’s history, it has been recognized that if the student is to receive an education and if the faculty is to maintain an appropriate perspective on that process, this relationship must exist.

The Robing Ceremony, an academic convocation that had its beginning in 1927, expresses this warm and interdependent relationship between faculty and student. By asking a faculty member to vest her or him, the graduate acknowledges the importance of this crucial interpersonal process. The Hooding Convocation, a companion ceremony for graduate students, is also held previous to commencement.

These ceremonies have made significant contributions to the rich heritage of the University and are a vital part of the concluding activities of the student’s graduate career. Graduate students eligible for graduation and participation in the Hooding Convocation may select a graduate faculty member who has been meaningful to them for vesting of the Hood at the Hooding Convocation preceding the graduation program. Persons to vest the student must be eligible to wear academic regalia. Persons eligible include all graduate faculty, full or part-time, and staff who hold faculty rank.

**Hooding Convocation added for graduate students.**

**Admission Deadline**

Admission into Texas Wesleyan University is on a rolling basis. You may submit application at any time prior to the semester start date. The annual priority date for receipt of applications is December 15. Applications will only continue to be accepted after July 15 on a space availability basis.

**Admission of Freshman Students**

Students who will graduate or who have graduated from high school or its equivalent, and beyond, are invited to apply for undergraduate admission. Freshman students are those who have graduated or will graduate from high school, have completed or will complete a home schooling program, hold a General Education Development (GED) Diploma, or who have completed fewer than 12 credits of college work. In addition, high school students who gained college credits while attending high school are considered freshman applicants.

All applicants to the freshman class must submit the following to the Office of Admission:

1. **Application for Admission**—A completed application for admission. Forms may be obtained online from the Admissions page on the Texas Wesleyan University website, [www.txwes.edu](http://www.txwes.edu).
2. **High School Transcript**—An official high school transcript, official General Education Development Diploma results, or documented home school transcript. Official transcripts must be sent to Texas Wesleyan University directly from the institution or delivered in person via sealed envelope. The transcript must bear an official seal and/or signature. Acceptance to the University may be granted on the basis of an official transcript showing six semesters' work. However, a final high school transcript documenting graduation and the successful completion of any qualifying exams required by the state for graduation or a statement of explanation must be submitted prior to the beginning of the student's initial semester at Texas Wesleyan University.

3. **Dual Credit/College Transcripts**—Students with dual credit/college credits and/or those who are currently enrolled in college classes for dual credit are strongly encouraged to submit official college transcripts prior to admission. Students with dual credit/college credits must submit official college transcripts prior to advising and registration.**

4. **Tests**—Official results from the American College Testing (ACT) program or the Scholastic Aptitude Test (SAT) of the College Board must be sent directly to the Office of Admission or recorded on an official high school transcript. Texas Wesleyan's ACT code number is 4222 and SAT code number is 6828. Student applicants who have been out of high school for seven or more years must submit a current ACT or SAT score or submit official THEA (Texas Higher Education Assessment) results for admission.

High school graduates will be reviewed for regular admission according to the following criteria:

1. Cumulative weighted high school grade point average (GPA) of 2.5 or above (on a 4.0 scale).

2. Minimum Scholastic Aptitude Test (SAT) score of 920 (combined Critical Reading and Math) or American College Testing (ACT) Composite score of 19.

The following distribution of high school units is strongly recommended for preparing to attend Texas Wesleyan University: English, 4; Mathematics, 4; Social Sciences, including 1 unit of American history, 3 1/2; Natural Science, 3; Foreign language, 2; Electives, 8. Non-academic vocational units should be limited to 2.

**Students not meeting any or all of the above criteria are subject to review by the Committee on Admissions, Scholarships, and Financial Aid for final decision regarding admission. If selected for committee review, a student may be asked for additional information, such as a personal essay, letters of recommendation, a personal interview, or other items.**

Specific academic programs may require higher entrance requirements, and applications are subject to review by the dean of the appropriate school for admission approval.

**Home-Schooled Students**—An applicant who has been home-schooled is expected to meet all admission requirements for regular high school graduates with the exception of a high school diploma.

**General Education Development (GED) Diploma Holders**—An applicant with an average score of 450 on the General Education...
Development Diploma testing program may be considered for acceptance to Texas Wesleyan University. An official copy of the GED certificate and an official report of test results must accompany the admission application. Applicants under the age of 25 are expected to meet all admission requirements for regular high school graduates with the exception of a high school diploma.

** Freshman applicants must submit any dual credit or college transcripts for admission consideration.

**Bacterial Meningitis Immunization**

The 82nd Texas Legislature approved Senate Bill 1107, and a follow-on Senate Bill 62 passed during the 83rd Texas Legislature and signed into law in June 2013, requiring all new students to submit evidence of being immunized against bacterial meningitis. This vaccination requirement under Chapter 21, Student Services, Subchapter T, Sections 21.610 – 21.614 applies to:

- All first-time freshmen
- All new transfer students
- All new graduate students
- All returning students who have experienced a break in their enrollment of at least one fall or spring semester.

**LIMITED EXCEPTIONS**

The following students are not required to submit proof of receiving a bacterial meningitis vaccination:

- Students who are 22 years of age or over;
- Students enrolled only in online or other distance education courses;
- Students with an affidavit or certificate signed by a physician who is duly registered and licensed to practice medicine in the United States that states that the vaccination would be injurious to the health and well-being of the student;
- Students who sign an affidavit stating that the student declines the bacterial meningitis vaccination for reasons of conscience, including a religious belief. A conscientious exemption form from the Texas Department of State Health Services must be used. This affidavit requires a notarized signature and must be submitted prior to registration.

The effective date of this statute is October 1, 2013; thus this requirement applies to all new students enrolling beginning in the Spring 2014 semester.

Vaccination policy is subject to changes in regulations by the State of Texas.

**UNIVERSITY-WIDE POLICY**

**Students who fail to provide the required documentation will not be allowed to register for classes.** However, these students will be allowed to be advised when attending orientation so they are prepared to register once they do provide the required bacterial meningitis documentation.
MARKETING/OUTREACH

The University will maintain a website reflecting the bacterial meningitis immunization requirement as well as additional vaccination requirements for students living on-campus. This site is accessible to all university constituents, including current and future students, parents, faculty, staff, etc. The site contains information specific to the new statute, documentation required, meningitis information, area health clinics that offer vaccinations, limited exceptions allowed by law, and a downloadable immunization form that can be printed by new students and taken to their physician’s office for completion. For more information, please visit our website https://txwes.edu/campus-life/health/.

MISDIRECTED MAIL

Texas Wesleyan University is not responsible for misdirected mail or for forms/documentation that have been lost in transit.

INCOMPLETE/ILLEGIBLE DOCUMENTS

Incomplete or illegible submissions are unacceptable.

MEAL PLAN FEES
Students may choose from the Platinum, Gold, or Silver meal plans. All
meal plans are the same price and are non-refundable after the official
12th day of class. All undergraduate students living in the residence halls
must be on a meal plan. Commuter and graduate students may purchase
any of the meal plans by contacting the Office of Residence Life
(817/413-5000). All students may add a cash amount declining balance to
their account by contacting the Office of Residence Life.

Meal Plans (semester price)

$1704 DB + tax (all plans)
Platinum - Unlimited all you care to eat meals per week at the Dora Roberts Dining Hall plus $50 Declining Balance Dollars per semester to be used at the Sub.

Gold - Fifteen all you care to eat meals per week at the Dora Roberts Dining Hall plus $100 Declining Balance Dollars per semester to be used at the Sub.

Silver - Twelve all you care to eat meals per week at the Dora Roberts Dining Hall plus $150 Declining Balance Dollars per semester to be used at the Sub.

Payment of Accounts

Tuition, fees, room, and board charges for each academic period are due and payable upon registration. All checks should be made payable to Texas Wesleyan University. Payment may also be made using American Express, VISA, MasterCard, or Discover.

Students who have not made arrangements to pay the balance due on their student account may be withdrawn from classes due to non-payment. Students that have been withdrawn from classes due to non-payment will be required to pay all past due balances and a re-registration fee. A payment plan fee will also be assessed if the total balance owed is not paid in full.

DEFERRED PAYMENT PLAN

A student who is in good financial standing with the University may arrange to pay tuition, fees, and room and board charges through a payment plan. For students to be in good financial standing, all prior balances must be paid in full. Payment plans are available through FACTS e-Cashier for the fall, spring, and summer semesters. A non-refundable enrollment fee will be collected each semester at the time of enrollment. Payments are processed automatically on the 5th of each month and will continue until the balance is paid in full. Late payment fees and/or non-sufficient funds (NSF) charges will be assessed for late or missed payments. For information about setting up a payment plan, visit the Cashier’s Office webpage on the Texas Wesleyan University website (www.txwes.edu/cashier) or call 817/531-4456.

DELINQUENT ACCOUNTS

A student who has a past due account will have a financial hold placed on her/his student record. Any student with an unpaid balance who has not set up a payment plan by the payment due date, may be withdrawn from classes.

A financial hold will prevent a student from registering for the next term and from obtaining an official transcript.

Graduating students with an unpaid account may not be eligible to participate in graduation ceremonies, obtain their diplomas or obtain a letter certifying all graduation requirements have been met.

In the event an account is sent to an outside agency for collection, any collection or legal fees will be the responsibility of the student.
CHANGE OF SCHEDULE (ADD/DROP)

After registration has been completed, a student may change her/his schedule only during the drop/add period. No course may be added after the first week of classes. Tuition and fee charges for any course dropped before the first day of the course will be refunded at 100%.

Tuition dropped after classes have begun will be credited as follows:

1) No adjustment will be made to fees. Fees, including course fees, are not refundable.
2) Courses dropped within 5% of the class calendar days will be credited at 80%.
3) Courses dropped within 10% of the class calendar days will be credited at 60%.
4) No refund will be credited for any course after 10% of the class calendar days has elapsed.

Non-attendance does not automatically drop you from a course or withdraw you from the university. Students must drop and withdraw through the Registrar’s Office.

Financial Aid Recipients - For all students receiving financial assistance, the amount of refund to be released to the student may be adjusted because of revision of aid awarded based on number of hours enrolled.

WITHDRAWALS

A student wishing to drop from all classes must formally withdraw from the University (see Student Initiated Withdrawal from a Course section).

Fee—General fees, course fees, and technology fees are not refundable. A student withdrawing and/or dropping from the University after the official first day of classes is not eligible for a refund of fees.

Tuition—A student formally withdrawing from the University before the end of 20% of class time usage will be eligible for refund of tuition and room and board charges only, except for first-time students and Title IV aid recipients as noted on the next page. Students not adhering to the University’s formal withdrawal process forfeit their refund. To withdraw, a student should contact the Office of Student Records.

Withdrawal tuition refunds are calculated on a class-by-class basis. The official first day of classes for refund purpose for all programs of study is established as the first regularly scheduled day of each class as set forth in the University’s class schedule.

The withdrawal refund formula is as follows:

100% credit will be applied before the first day of class.
80% credit if 5% or less of the class calendar days has elapsed.
60% credit if 5.09% to 10% of the class calendar days has elapsed.
40% credit if 10.01% to 15% of the class calendar days has elapsed.
20% credit if 15.01% to 20% of class calendar days has elapsed.
No credit will be given if 20% of the class calendar days has elapsed.

REFUND POLICY

Beginning refund dates are posted on the Cashier’s office website each term.
After the first disbursement of financial aid onto the student account, within 14 business days a refund check will be issued to the student. The student will be sent an email to their university email account, notifying them of the day the check will be available for pickup. Students must present their student ID card to pick up a refund check. Unless the Cashier’s office is notified by email, checks will be held for pickup for two weeks. After two weeks, they will be emailed to the address on file.

Refund checks will be issued every week for any remaining credits on the student account after the first disbursement.

Financial Aid Recipients - For all students receiving financial assistance, the amount of refund to be released to the student may be adjusted based on the Federal Refund Calculation and/or State Refund Calculation listed on the next page.

Housing—A student who withdraws from residential housing will be eligible for a refund based on the day she/he officially checked out of the room. The refund policy is as follows:

Deposit Refund Policy
100% refund before August 1
50% refund from August 1 and first day to move in
0% refund after first day to move in

Contract Refund Policy
100% refund before first day to move in
0% refund after first day to move in

This policy does not apply to University Housing off-campus.

Any damages will be deducted from the housing deposit, and the balance will be refunded. The student must complete a refund form indicating an address to where a check can be mailed. The request for a deposit refund must be submitted to the housing office within 30 days of checkout or the deposit will be forfeited. If a student fails to check out officially, she/he will be assessed a charge for changing the lock core and replacing the key.

Federal Refund Calculation—For students receiving Title IV (federal) financial aid, the Federal Return of Title IV Funds calculation will be performed for all students who withdraw from the University during the first 60 percent of the enrollment period. Any funds that have not been “earned” during the enrollment period must be returned to the program(s) from which they were awarded. Students may obtain a copy of the full Federal Return of Title IV Funds policy in the Office of Financial Aid. The student will owe the University any funds which are considered to be “unearned” by the formula.

State Refund Calculation—Students receiving state funds who withdraw from the University will be subject to the state refund policy. This policy is also available from the Office of Financial Aid.

Refund Availability—Refunds are calculated from the day the Office of Student Records receives written notice of withdrawal. The Business Office will establish a time schedule for issuance of refund checks. The refunds will be available to students in accordance with the established schedule after financial aid revisions have been issued and processed against the student's accounts.

Career Development

CAREER SERVICES
Career Advisors provide assistance and guidance to students and alumni during their preparation for entry into their chosen career fields. Career Services, located in Brown Lupton, North Wing, offers individual career counseling to determine interests and aptitudes for specific occupations and assistance on resume preparation, interviewing skills, job placement and conducting career research. Career Services also provides a website for career information at [http://www.txwes.edu/career](http://www.txwes.edu/career).

Current employment and internship opportunities (categorized according to career fields) are available in Career Services, and current information about hiring trends, as well as company contact information, is available. Online resources for resume construction and job locations are available as well. Texas Wesleyan is a member of the Metroplex Area Consortium of Career Centers, the National Association of Colleges and Employers, and the National Career Development Association.

INTERNSHIPS
Internships are graded academic experiences in a chosen career field and are coordinated through academic departments. Information and notices of available internships as well as necessary registration forms are available in academic departments. Career Services provides assistance by helping students network with employers for internship opportunities.

Residential Living

Among the most memorable of university experiences is that of living in a student residence hall. All residential facilities at Texas Wesleyan University provide comfortable and attractive living environments. The Office of Student Life supervises the housing of all students on campus. Student resident assistants are selected and trained to assist the Resident Director.

The University has three residence halls on its historic campus. Stella Russell Hall and Elizabeth Armstrong Hall are located just north of the Eunice and James L. West Library. The West Village is located at the corner of Wesleyan St. and Vickery Blvd. Reserved parking for residents is also available. All rooms and lobbies are equipped with cable. The resident rooms in all three residence halls provide a vanity with sink and mirror, desks, beds, bookshelves, closets, and drawers. Residence hall policies and procedures are found in the Residence Halls section of the [Student Handbook](http://www.txwes.edu/student_handbook).

Stella Russell Hall is a three-story hall that will house up to 150 students. It is co-ed by floor, with an elevator and large basement that contains coin laundry for the residents to use. Each floor has a large community bathroom in each wing that includes private stalls, showers, and changing areas. The lobby is on this floor and includes a full-sized kitchen with refrigerator, stove, and microwave oven. The lobby is a large area for residents to cook, eat, watch television on a big screen, and play games.
Elizabeth Armstrong Hall is a two-story facility that houses up to 51 upper-class students. This facility also has a first-floor lobby with a full-sized kitchen with refrigerator, stove, and microwave oven. There is a laundry room on each floor. All rooms are single rooms. Priority is given to graduate students, then to non-traditional students and seniors. Bathrooms are shared by the room on each side.

West Village is a 250-bed apartment style housing facility. This three-story building has a combination of efficiencies and four-bedroom apartments.

Open and closing dates and other pertinent housing information can be found in the Student Handbook that can be obtained from the Office of Student Life.

FRESHMAN MANDATORY HOUSING

The Department of Residence Life at Texas Wesleyan University supports the mission of the University by providing students with a comfortable and convenient living environment while offering opportunities for increased campus involvement, social interaction and academic assistance. In support of the mission of the University and in recognition of the value of the on-campus residential experience, all students with less than 30 college credit hours who are under the age of 21 are required to live in on-campus university housing unless they are married, divorced, live with their parents or have a dependent child. The Department of Residence Life in conjunction with the Dean of Students Office will review requests for an exemption to this policy on an individual basis.

RESIDENCY

Students must be enrolled in the University for a minimum of 6 credit hours during the fall or spring semesters to be eligible to live on campus. Current students may reside in the residence halls during summer and interim periods without attending classes. All students choosing to live on campus during the fall and/or spring semester are required to be on a meal plan except graduate students. Specific meal plans, requirements, and other details, including rates, are located in the Residence Halls section of the Student Handbook and in the Expenses section of this addendum.

ROOM RESERVATION PROCESS

1. Complete the on-line housing application at www.txwes.edu/housing;
2. Click on the link “How to Apply” and use your RamLink ID as your username and your Student ID number as your password;
3. Pay on line with a credit card or mail a check or money order to the Cashier’s Office for $225 ($25 non-refundable application fee);
4. Once your housing deposit has been received, you may complete your application and continue to participate in roommate matching and selecting your room and meal plan;
5. After your application is processed an email will be sent to you with additional information you may need for move-in day.

The University prefers the guidelines of mutual respect and consideration. Program and discipline guidelines for the halls are coordinated under the supervision of the Office of Student Life, and regulations are kept to a
minimum. Please see the Residence Halls section of the Student Handbook for more information about living on campus.

**BACTERIAL MENINGITIS VACCINATIONS FOR STUDENTS**

Texas House Bill 4189 (HB 4189) requires that any incoming new student who lives on-campus must either receive a vaccination against bacterial meningitis or meet certain criteria for declining such a vaccination before they can live on campus.

For the entire text of Texas House Bill 4189, refer to: [http://www.legis.state.tx.us/tlodocs/81R/billtext/html/HB04189F.htm](http://www.legis.state.tx.us/tlodocs/81R/billtext/html/HB04189F.htm)

As of January 1, 2010, incoming students who live on campus are required to provide either evidence of vaccination against bacterial meningitis or a signed affidavit declining the vaccination prior to living on campus. Students will not receive a housing assignment until one of these two documents is received by Texas Wesleyan Residence Life Department. Evidence of Vaccination (must have received vaccination at least 10 days prior to living on campus) must be submitted in one of the following three formats:

1. A document bearing the signature or stamp of the physician or his/her designee, or public health personnel (must include the month, day, and year the vaccination was administered).

2. An official immunization record generated from a state or local health authority (must include the month, day and year the vaccination was administered).

3. An official record received from school officials, including a record from another state (must include the month, day, and year the vaccination was administered).

Evidence of declining vaccination must be submitted in one of the following two formats:

1. An affidavit or a certificate signed by a physician who is duly registered and licensed to practice medicine in the United States, in which it is stated that, in the physician’s opinion, the vaccination required would be injurious to the health and well-being of the student.

2. An affidavit signed by the student stating that the student declines the vaccination for bacterial meningitis for reasons of conscience, including a religious belief. A conscientious exemption form from the Texas Department of State Health Services must be used. Secure online “Affidavit Request for Exemption From Immunizations for Reasons of Conscience” can be found at: [https://webds.dshs.state.tx.us/immco/default.aspx](https://webds.dshs.state.tx.us/immco/default.aspx). Exemption forms may take up to two weeks to be approved.

All documents can be mailed, faxed, emailed or hand delivered to the Texas Wesleyan Residence Life Department.

Mail:    Texas Wesleyan Residence Life Department
         1201 Wesleyan St.
         Fort Worth, TX 76105

Fax:     817/531-4432
Email: Housing@txwes.edu

Hand Delivery: The Clubhouse located in the West Village
Apartments at Texas Wesleyan University

Reminder-Students will not receive an official housing assignment until appropriate documents have been received by the Texas Wesleyan Residence Life Department.

Student Employment

In conjunction with the Office of Financial Aid, through which students who qualify for the federal work-study programs are identified, on-campus student employment is coordinated by the Office of Human Resources for both work-study and non-work-study students. All students desiring on-campus employment should contact the Office of Human Resources, where available positions are listed and all necessary forms are processed. The list of available positions can also be found at http://www.txwes.edu/hr/studentemployment.aspx. The Office of Human Resources is located in the Oneal-Sells Administration Building and can be contacted by calling 817/531-4403.

**Website updated.

Student Life and Student Activities

It is the primary function of the Office of Student Life to encourage the development of a loyal student community by providing opportunities that promote student growth, development, involvement, and achievement. The Office of Student Life also supervises the housing of all students on campus.

The office of Student Activities is located on the first floor of the Brown-Lupton Campus Center and is supervised by the Dean of Students. This office is responsible for special events, diversity programs, recreation, intramurals, leadership development and many other services. Students participate in selecting, planning and producing programs through The Social Rams Programming Board. Additionally, the Student Government Association and the many other campus organizations provide a variety of activities and programs. To contact the Office of Student Life, call 817/531-4872.

In addition to the Office of Student Activities is the Student Project Center. This office is located in the Loft above the Grill area in the SUB and is used as a meeting space for all students and student organizations and an area for students to work on projects. To contact the Student Project Center, call 817/531-6522.

**Student Life services clarified.
Technology Services

APPLICATION TRAINING
Texas Wesleyan provides access to an online training library that provides access to many courses and tutorials on: 3D, video, business, web design, graphic design, and more; all organized by subject or software creator. Select vendors may also provide custom or in-depth training on specific software/applications. Training is available online at: http://txwes.edu/training/

BLACKBOARD LEARNING SYSTEM
The Blackboard Learning System is a virtual learning environment and course management system developed by Blackboard Inc. Features include course management, a customizable open architecture, and a scalable design that allows for integration with student information systems and authentication protocols. Its main purposes are to add online elements to courses traditionally delivered face-to-face and to develop completely online courses with few or no face-to-face meetings.

CLASSROOM TECHNOLOGY
Texas Wesleyan provides technology for many classrooms on campus to support teaching needs. This includes providing audiovisual tools for general classrooms and classrooms with computers for hands-on laboratory activities (e.g. computer labs).

COMPUTER SET UP AND REPAIR
Texas Wesleyan provides computer set up, configuration, and warranty and non-warranty hardware repair services for University-owned equipment, and consultation assistance for personally-owned equipment through the IT Helpdesk.

DIGITAL MEDIA SERVICES
Texas Wesleyan provides a variety of tools and programs for digital media capture, creation and conversion. These tools and programs are located in Multimedia Center, room B-21, in the EJW Library.

EMAIL AND CALENDARING
Texas Wesleyan provides employees and students with a @txwes.edu email address. The email address takes the format of UserID@txwes.edu. The Texas Wesleyan University email address is considered the official email address for students, faculty, and staff. In addition to email, the Exchange server provides calendaring, contacts and tasks that work with Microsoft Outlook on PC and Mac platforms.

HELP DESK
To report an issue with technology, request a service, or ask a question, students and employees should contact the Helpdesk via phone at 817.531.4428; or in person at room B-32 in the EJW Library for very urgent matters. The Helpdesk may also be reached via email at helpdesk@txwes.edu, or online at txwes.edu/it for less urgent matters.

INCIDENT MANAGEMENT
Incident Management is the process of restoring a normal service operation as quickly as possible and minimizing the impact on business operations, thus ensuring that the best possible levels of service quality
and availability are maintained. “Normal service operation” is defined as service operation within service-level agreement (SLA).

**MEDIA EQUIPMENT CHECKOUT**

Texas Wesleyan provides a variety of audiovisual tools and laptop computers for short-term use. To request this service, visit txwes.edu/it.

**MULTIMEDIA CENTER**

The Multimedia Center is a multi-room facility containing a variety of audio and video capture and editing technologies, studios and booths located in the basement of the West Library in rooms B-20 and B-22.

**NETWORK CONNECTIONS**

Texas Wesleyan provides both wired and wireless network connection options for both University-owned and personally-owned devices, including gaming consoles. All wireless connections must be authenticated using one’s University credentials; e.g. username and password.

**OPEN-ACCESS COMPUTERS**

Texas Wesleyan provides access to computers and common software packages at various locations on campus for individuals who do not bring their own laptops or tablets to campus. These computers can be found at various locations across the campus with the majority being located on the first and second floors of the West Library.

**PRINTING**

Texas Wesleyan provides access to printers through both wired and wireless connections. Students are provided a set number of printed pages at no cost each semester.

**RAMLINK (COLLEAGUE WEB ADVISOR)**

Texas Wesleyan provides access to student and employee information and the ability to conduct transactions and complete administrative tasks over the web.

**SOFTWARE INSTALLATION AND CONFIGURATION**

Texas Wesleyan provides software installation, upgrade, and configuration services for all properly licensed desktop software programs on University-owned equipment and consultation assistance for personally-owned equipment.

**Breadth of services offered by Information Technology department to students detailed.**
UNIVERSITY POLICIES

Holds

A “hold” is an action on a student record that prevents students from registering, receiving official transcripts, receiving transfer credit, participating in graduation ceremonies and/or graduating from the University. A hold is placed on a student’s record in the event an obligation or requirement to the University has not been met. These obligations/requirements can include:

- Failure to make required financial payments as outlined on student invoice;
- Failure to pay University fines including parking;
- Failure to pay medical charges;
- Failure to return University equipment;
- Failure to return library materials;
- Failure to meet required disciplinary sanctions;
- Failure to provide required student record documents for enrollment;
- Failure to meet academic or administrative requirements resulting in suspension as outlined in the University catalog;
- Failure to maintain a deliverable mailing address with the University.

To determine the reason for a hold, the Office of Student Records should be contacted. To release a financial hold (except for the library), the Business Office should be contacted. To release a document hold, the Office of Student Records should be contacted. To release a disciplinary hold, the Director of Student Life should be contacted.

**Hold policy clarified.

Inclement Weather/University Closing

Decisions regarding the closing of the University for inclement weather are made for the entire University and are not made for or by each unit of the University. Faculty, staff, and students who are registered with Texas Wesleyan Alerts will automatically receive official closure announcements by phone, text message, and/or e-mail. These announcements are sent within minutes of a decision being made. Registration with Alerts is automatic, and all faculty, staff, and students are urged to update their contact information immediately by visiting http://txwes.edu/security/emergency. To unsubscribe to Alerts, log into Ramlink and select the Texas Wesleyan Alerts opt-out form, which is located in the communication section of the main menu.

Otherwise, faculty, staff, and students may check the Texas Wesleyan web site, www.txwes.edu, www.star-telegram.com, and the following radio or television stations to receive University closure information due to inclement weather:

KDFW Channel 4  KTVT Channel 11
KXAS Channel 5  WBAP 820 AM
WFAA Channel 8

**Hold policy clarified.**
Announcements will be made on the above stations after 5 a.m. weekdays for closures during the week. Weekend closures and class cancellations may be announced on the preceding 10 p.m. newscast and/or the morning of the closure. A recorded announcement will be available through the switchboard (817/531-4444). Classes cancelled because of inclement weather may necessitate scheduling additional class days. These make-up days will be announced through appropriate campus publications and to the faculty and staff within two weeks after the classes have been cancelled. University offices may open with limited services to assist students who are living on campus. The opening of these offices will be on an individual case basis and may include food service, the library, and the Brown-Lupton Campus Center.

**Website and channel listing updated. WEMS changed to Texas Wesleyan Alerts or Alerts.

Student Complaint Policy

POLICY ON WRITTEN STUDENT COMPLAINTS

Texas Wesleyan University recognizes the value of information provided by students about the performance of the University in providing the services and meeting the goals which our mission describes. It is University policy to invite feedback, and, whenever possible, to use that feedback to continue to improve the services and functions of the University.

Ideally, students will be able to resolve any problems by dealing directly with the individual (such as a faculty or staff member) or office (such as a student service or administrative office) involved. Students should also read the current Texas Wesleyan University Catalog and Student Handbook to become familiar with University policies. These policies include but are not limited to:

- Academic integrity
- Grade appeal
- Harassment and discrimination
- Student access to records

If a student is unable to reach a satisfactory resolution and wishes to pursue the matter further, or if a student wishes to register a formal complaint, a written complaint may be addressed to the Office of the Provost, following the process outlined here:

Written complaints should contain the following information:

- The complainant’s name and contact information;
- a clear description of the problem or complaint;
- appropriate supporting documentation that is directly related to the complaint;
- a description of any subsequent actions taken by the complainant or the University, and;
- a description of the desired outcome.

All written complaints received and copies of any responses will be kept on file in the Office of the Provost. Complaints which are unsigned or are not received in written format (e.g. complaints received by phone or in person) will not be considered.
The Provost will respond to each complaint within 15 business days of receipt. If no other action was requested, the response will acknowledge receipt of the complaint. If further action is requested, the response will describe the actions to be initiated by Office of the Provost and any further information from the complainant that may be required.

Grade Complaints

Written complaints about grades will not be addressed by the Office of the Provost unless the student has already discussed the grade with the course instructor, the department or division head (if any), and the appropriate Dean, respectively. Appropriate documentation would include copies of the student’s coursework, the course syllabus, and any other materials related to specific assignments (such as handouts or correspondence with the instructor). (See Grade Appeal Process, page 115 of the 2013-2015 Undergraduate Catalog.)

Non-Academic Complaints

Written complaints about administrative or other student services should be directed initially to the appropriate office but may be submitted to the Office of the Provost if satisfactory resolution is not achieved. Appropriate documentation would include copies of any relevant contracts, notices, or other official or informal correspondence with the office or other University personnel.

TEXAS HIGHER EDUCATION COORDINATING BOARD (THECB)

After exhausting the institution's grievance/complaint process as outlined above, current, former, and prospective students may initiate a complaint with the Texas Higher Education Coordinating Board (THECB) following the process outlined on the THECB website at http://www.thecb.state.tx.us under “student complaints.”

SOUTHERN ASSOCIATION OF COLLEGES AND SCHOOLS COMMISSION ON COLLEGES

Texas Wesleyan University is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award baccalaureate, master's and doctoral level degrees. The Commission is to be contacted only if there is evidence that appears to support an institution’s significant non-compliance with a requirement or standard. All other inquiries or complaints should be directed as outlined above. The Complaint Policy of the Commission on Colleges is available at http://www.sacscoc.org/pdf/081705/complaintpolicy.pdf.

The Commission may be contacted at 1866 Southern Lane, Decatur, Georgia 30033-4097, telephone 404/679-4500, and at http://www.sacscoc.org/.

CAMPUS HOTLINE

Texas Wesleyan University provides a third-party campus hotline that all University constituents may use to report concerns. The third-party provider may be reached by calling 866/943-5787.

Student Handbook

The Texas Wesleyan University Student Handbook is published annually by the University and is available on the website and in the Office of Student Life. It contains policies, procedures, and regulations developed by students, faculty, and administrative personnel of the University. The purpose of the handbook is to set forth the standards of conduct Texas Wesleyan expects of its students, to inform the student body of individual and group rights and responsibilities, and to describe the due-process procedures to be followed when citizenship violations occur. The handbook contains extensive information that is intended to acquaint the student with various aspects of University life and to serve as a guide to University services and activities.

It is important that the student become acquainted with the contents of the Student Handbook since enrollment at Texas Wesleyan is considered by the University as an implicit declaration of the acceptance of the rules and regulations contained therein.

Copies of the Student Handbook may be obtained from the Office of Student Life.

**Frequency of publication updated.

Texas Wesleyan Alerts (Alerts)

Texas Wesleyan University will provide accurate and timely information to the Historic, Burleson, and Saginaw communities during emergencies via the new Texas Wesleyan Alerts (Alerts). In the case of a severe weather or other emergency, the University will utilize Alerts notification technology to alert students, faculty and staff of the nature of the emergency and of any steps the recipient should take to safeguard his or her personal welfare.

Each student, faculty and staff member should report, and update as necessary, current local and home emergency contact numbers where Texas Wesleyan can most effectively provide the person time-sensitive emergency information – usually this will be a mobile phone or other hand-held electronic device. All Student, Faculty and Staff information
submitted is confidential and secure. The University will limit use of this emergency contact information for only the most urgent campus emergencies. Once you have been assigned a University email address you will be automatically registered for Alerts within 24 hours. Registration is Automatic for current employees and enrolled students. You may then log into http://txwes.edu/security/emergency to add additional devices for notification. To unsubscribe you must log into Ramlink and select the Alerts Opt-Out form, which is located on the main Student, Faculty and Employee menus in the User Account section.

TEACHER CERTIFICATION & ENDORSEMENT

Post-Baccalaureate Certification in EC – Grade 6 Generalist is available to individuals who possess a B.A. or B.S. from Texas Wesleyan; meet admission requirements; and have been approved to take education courses by the Certification Officer.

Bachelor’s Degree Requirements

Basic to all bachelor’s degrees is the General Education Curriculum, to be completed by all degree candidates. Students also complete Major Requirements and Required Related Courses to qualify for a degree. Students completing a degree with secondary certification will also complete additional School of Education Requirements. Specific requirements are listed on page 199 of the 2013-2015 Undergraduate Catalog.

GENERAL EDUCATION CURRICULUM AND COMPETENCY GOALS

Each Texas Wesleyan University graduate should demonstrate competencies and attainments in preparation to be an informed and effective citizen of the world. To prepare each student for this goal, the University strives to instill literacy in the four areas of Language Literacy, Analytic Literacy, Cultural Literacy, and Social Literacy, with “literacy” defined as college-level knowledge with the ability to read and write. The specific expected competencies within each of these areas include the following:

Language Literacy

1. Competency in a variety of communication skills
   a. This competency includes the ability to speak and write conventional English both clearly and correctly. The development of individual communicative style should also be encouraged.
   b. This competency also includes the ability to speak and write interactively. This includes elements of effective reading, listening, and analysis as well as the framing of appropriate and intelligible responses.
   c. Sufficient skills in information technology and information retrieval methods.

2. A summative experience regarding the total curriculum. The graduate should reflect an ability to integrate the broad scope of her/his learning in a meaningful manner.

Analytic Literacy

3. Understanding of how, when, and in what fields the scientific method is used, including personal experience in the method in a laboratory setting and exposure to current scientific issues and knowledge.
4. Ability to formulate a precise, concise, logical argument concerning a wide variety of problems in politics, science, mathematics, psychology, sociology, etc. The graduate should be proficient in applying problem solving skills in her/his life.

Cultural Literacy

5. An appreciation of and some direct experience with the creative arts as expressions of cultural and artistic values. This experience should include some combination of attendance at various art exhibits or performances, formal exposition of art works representative of various cultural periods, and personal participation.

6. An understanding of the history and defining character of Western culture and an appreciation of other cultures. Cultural differences may be expressed in terms of linguistic structures, the creative arts, religious traditions, political values, etc.

7. Knowledge of religious history and tradition from its written word, including an awareness of Judeo-Christian values and ethics and an understanding of questions of moral behavior as applied to home, professional, civic, and social life. The student should be encouraged to formulate a clearly thought-out philosophy of ethical and moral values.

Social Literacy

8. An understanding of the social forces that influence individual and collective behavior, including economic, political, psychological, and sociological forces.

9. Awareness of the practices required and resources available to respond purposefully to social forces that affect one’s physical, mental, and emotional health.

PHILOSOPHY OF GENERAL EDUCATION

The inclusion of specific general education requirements in all degree plans is an integral part of the overall purpose and philosophy of Texas Wesleyan University. The faculty, administration, Board of Trustees, and student body reaffirm the mission of the University to combine for the student the traditional liberal arts with preparation for a professional career in contemporary society. Thus, the curriculum followed by the student unites the general requirements outlined here and the specific offerings of the chosen major in order to provide an effective educational experience for each Texas Wesleyan University graduate.

As a private, comprehensive university with a tradition in the liberal arts stressing small classes and individual attention, Texas Wesleyan is committed to the liberal arts and general education as a means to the overall goal of a complete education for each student.

Departments may also recommend specific requirements within the General Education Curriculum for students planning to major in specific programs. The 3+2 Biology B.S. program with the UNTHSC may make additional modifications to the General Education Curriculum. Students should refer to the listings of major requirements for details.
All students, except transfer students for whom the General Education Curriculum has been waived following the policy below or those transfer students who have completed ENG 1301 or MAT 1302 or higher, are required to take the English and/or Mathematics Placement Exams prior to initial registration. All students with a verbal SAT score below 530 (or the ACT equivalent score) or transfer students with fewer than 31 hours must take the Reading Placement Exam. Students should refer to the Placement Exam section listed previously in the Undergraduate Catalog for specific information regarding this requirement.

If a student successfully completes the state of Texas 42 semester credit hour baccalaureate core curriculum at any Texas public institution of higher education, that block of courses may be transferred to Texas Wesleyan University and will be substituted for Texas Wesleyan’s General Education Curriculum (GEC). A student who transfers from a private institution with a core curriculum equivalent to Texas Wesleyan University’s core curriculum may be able to transfer that block of courses as determined on a case by case basis. All students will still be required to take three hours of an approved religion course (unless already completed) as listed in the General Education Curriculum requirements. A student suspended or dismissed from a previous institution will not receive the waiver of the General Education Curriculum. Students should also note that although exempt from the General Education requirement, they may still be required to take specific prerequisites for required courses.

While not part of the General Education Curriculum, ASE 1111, Freshman Seminar, is required for all first semester freshmen and freshman transfer students with 11 or fewer completed credit hours. Students receive elective credit for this course. ASE 1112, Freshman Seminar Laboratory, is a mandatory course for all freshman students placed on academic probation following their first semester.

Academic Policies

ACADEMIC HONOR LIST (DEAN’S LIST)

Students enrolled for 6 or more college-level, academic credit hours during one semester, who have a grade point average of 3.5 or above and no grade lower than “C” during the semester, will be placed on the Academic Honor List (Dean’s List). This honor is determined at the end of spring and fall semesters.

TRANSCRIPT REQUEST

Students can order official transcripts through the online transcript service at www.txwes.edu/academics/registrar/transcripts. Students may also complete a request in the Office of Student Records. The transcript fee is
$5 per electronic copy and $7 per paper copy. Allow 3 - 5 business days for processing. Allow additional time for processing if ordering transcripts during registration periods or graduation preparation.

Realizing that emergencies occur, a student may receive expedited processing and mailing. There is an additional fee of $30 for this service.

**Dean’s list policy clarified. Website for transcripts updated.**
SPECIAL ACADEMIC PROGRAMS

Academic Success Experience

To assist new freshmen in becoming familiar with Texas Wesleyan University and to be more successful in their academics, Texas Wesleyan University has designed an Academic Success Experience (ASE).

ASE 1111 Freshman Seminar is the first course in this program and is required for all first semester freshmen and freshman transfer students with 11 or fewer completed credit hours. This course is designed to address issues related to the successful transition from high school to the University. Campus orientation, college level study skills, and other transitional issues are covered. A student may not drop ASE 1111. If a student fails to achieve a passing grade in ASE 1111, the student will be required to retake the course the following semester until a passing grade is achieved.

ASE 1112 Freshman Seminar Laboratory is a mandatory course for all freshman students placed on academic probation following their first semester. This class explores the various causes of academic probation and addresses strategies to regain adequate academic standing. Failure to enroll in ASE 1112 as required may result in administrative withdrawal from the University. A student may not drop ASE 1112. If a student fails to achieve a passing grade in ASE 1112, the student will be required to retake the course the following semester until a passing grade is achieved.

ASE 1113 Ram Rebound is a course required of any non-freshman student placed on academic probation. (Freshmen may enroll in ASE 1113 in lieu of 1112 with permission of the Dean of Freshman Success.) This course will address the various barriers to academic success, explore individual goals, strengths, and personal issues, as well as promote the development of time management strategies, study skills, critical thinking, and problem-solving abilities related to academic performance.

ASE 1311 The College Success and American Cultural Experience is a mandatory course for non-native speakers of English placed into the Linguistic Diversity Student Bridge Program and is taken in place of ASE 1111. This course is designed to address issues related to the successful transition to the American system of higher education. Campus orientation, college level study skills, and other transitional issues are covered, with expanded content related to American higher education and culture including U.S. classroom expectations.

ASE 2111 Transfer Success Experience is a course designed for new transfer students. It is a one hour elective course designed to assist new transfer students as they transition to the Wesleyan campus. The course addresses such issues as Wesleyan’s policies and procedures, available resources on campus, charting the course for graduation, academic integrity, and other helpful information.

**Updated ASE courses offered in listing.

Evening and Weekend Classes

There is an array of undergraduate and graduate courses from various disciplines that may be found within the class schedule on nights and weekends. Most students take a combination of weekend, evening, and online courses to expedite degree completion.
We offer various graduate degrees that may be completed during night and weekend. These programs include:

- Business Administration, M.B.A.
- Masters of Education, M.Ed.
- Doctorate of Education, Ed.D.
- Master of Arts in Professional Counseling
- Master of Science in School Counseling
- Master of Science in Marriage & Family Therapy
- Doctor of Marriage and Family Therapy

**SCHEDULING OF COURSES**

Weekend classes may be scheduled on Track A, B, or C. Track A and B courses meet on alternate weekends, seven times per semester in four-hour sessions. Track C courses meet every weekend for two and one-half hour sessions. Track A and B meeting times are 8:00 a.m.– 12:00 p.m. and 1:00 p.m.– 5:00 p.m. unless otherwise indicated in the schedule. Track C meeting times may vary but are usually scheduled from 8:00 a.m.– 10:30 a.m., 10:30 a.m.– 1:00 p.m., 8:00 a.m.– 12:00 p.m., or 1:00 p.m.– 3:30 p.m.

Most evening courses meet once per week for two and one-half hour sessions per week. Several evening courses meet twice weekly and these session times vary. Evening courses are considered those beginning at 4:30 p.m. or later.

Weekend and evening courses cover the same content as traditional courses but are organized in a time-intensive arrangement requiring self-direction and pacing by each student. Since these classes meet fewer times per week than most day classes, attendance is critical to the student’s success. **Instructors may require assignments due the first time class meets.** For more information, check the website for syllabi under “Courses Offered” at http://txwes.edu/academics/weekend-and-evening-programs/.

**Programs available updated. Website updated.**

*The M.D. Anderson Pre-Professional Program www.txwes.edu/3PR*

This unique Texas Wesleyan University program provides the initial preparation for those students who aspire to attend professional schools in pursuit of a career in the helping professions by:

- Developing an understanding of the nature of professional practice;
- Stimulating awareness of professional ethical and civic responsibilities;
- Promoting inter-professional understanding and cooperation.

The students in this program receive educational and career information about medical, dental, legal, ministerial, clinical and professional counseling as well as other helping professional programs requiring licensure. Specific activities that further the mission of the program include the following:

- Biweekly luncheons featuring university and community professionals who offer firsthand knowledge about the challenges and rewards of the helping professions;
- Student-led societies providing opportunities to intermingle with fellow students who have similar professional goals as well as developing leadership skills and attributes;
PRE-PROFESSIONAL CURRICULUM

The following courses are recommended for students in the Pre-Professional Program.

Offered in the fall semester:
- 3PR 1001 Introduction to the Learned Professions I.
- 3PR 2101 Intra-personal Awareness and Moral Development
- 3PR 3101 Application Process and Mentorship
- 3PR 4001 The Learned Professions I
- 3PR 4302 Ethical Thinking and the Professions 3 hours

Offered in the spring semester:
- 3PR 1002 Introduction to the Learned Professions II
- 3PR 2102 Interpersonal Communication Skills
- 3PR 3102 Admission Tests and Mentorship
- 3PR 4002 The Learned Professions II
- 3PR 4130 Ethics Bowl Competition

Courses offered on an occasional basis:
- 3PR 4102 Special Topics 1 hour

For course descriptions, students should refer to the “Course Descriptions” section located at the end of the 2013-2015 Undergraduate Catalog.

PROGRAM ADVANTAGES

All pre-medical and pre-dental students benefit from the on-campus Health Professional Advisory Committee (HPAC) which interviews the student on behalf of the medical or dental schools, sending a letter of recommendation to the schools to which the student applies.

Texas Wesleyan is a participant in the Dental Early Admission Program (DEAP) offered by the University of Texas Health Science Center in San Antonio; applications to the program are coordinated by the 3PR office.

Because of the suggested minimum 3.25 GPA for 3PR enrollment, active participants are eligible for undergraduate scholarships, including the Hatton W. Summers Foundation as well as the Department of Philosophy & Religion scholarships.

**Program no longer provides opportunity to pursue scholarships to the former Texas Wesleyan School of Law.

Wesleyan Scholars Honors Program

The purpose of the Wesleyan Scholars Honors Program is to provide motivated students the opportunity to enrich their university experience, to recognize outstanding academic achievement beyond degree requirements, to provide a forum for student-student and student-faculty exchange of ideas, to celebrate opportunities for conversations across
discipline boundaries, and to affirm the University as a place of informed and reasoned dialogue.

The Wesleyan Scholars Honors Program consists of two separate programs: University Honors and Departmental Honors. A student must earn either Departmental or University Honors (or both) for designation to appear on the student’s diploma.

**UNIVERSITY HONORS—UNIVERSITY SCHOLAR**

For admission into the University Honors Program, freshmen must have an SAT score of 1200 (Math and Verbal) or an ACT score of 24 and a high school GPA of 3.5. Students who transfer with fewer than 30 hours may be admitted to the University Honors Program if they have the above mentioned SAT or ACT scores and a cumulative GPA of 3.5 from their transferring institution. Texas Wesleyan and transfer students with more than 31 hours may be admitted if they have a cumulative 3.5 GPA.

To qualify for University Honors recognition on their diploma, students must complete four (4), three-hour honors seminars and maintain a cumulative GPA of 3.5. WSP Courses satisfy General Education Curriculum requirements in Language Literacy, Analytical Literacy, Cultural Literacy, and Social Literacy. The course choices will change each year.

**DEPARTMENTAL HONORS—WESLEYAN SCHOLAR**

Unless otherwise specified, students are eligible for the Departmental Honors Program and may enter their department's program at any time with the approval of the faculty of the student's major program and a GPA in their major of 3.5.

Students in the Departmental Honors Program must complete at least six (6) hours of honors credit. The content and requirements of the honor's credit are determined by each student's participating academic department or program. Students must complete a minimum of 30 approved credit hours in an academic discipline to be eligible for departmental honors in that discipline.

**English**

Students will be admitted to the departmental Honors in English if they have at least a 3.5 GPA in English and Departmental approval. In order to fulfill the 6-hour requirement for Honors in English, the student will need to complete ENG 4375H-Senior Portfolio/Honors Seminar in Literature or ENG 4385H-Senior Portfolio/Honors Seminar in Writing AND ENG 4386H-Honors Seminar and Thesis. The content of 4375H and 4385H will be determined by instructors and student interest. The seminars may be taught by one professor or team taught. Before students can enroll in the second Honors course, they must earn a minimum of a B in the first.

** Modifications made to departmental hours in English. Honors in Liberal Studies eliminated from the program.**

MAJORS/DEGREES

Liberal Studies with Generalist EC-6 Education—Bachelor of Science
Liberal Studies with Generalist EC-6 Education—Bachelor of Science/Master of Education

Liberal Studies
Bachelor of Science
with Generalist EC-6 Education Cluster

One of the options for students majoring in Liberal Studies is the Liberal Studies with EC-6 Cluster. This path to an EC-6 teaching certificate is sometimes advantageous to students who transfer with a significant number of hours that would not transfer toward the B.S. or B.A. in EC-6 programs. All information about this option is located in the School of Education Section of the Undergraduate Catalog.

Fifth Year Option
Bachelor of Science or Arts/Master of Education
Liberal Studies with Education Cluster

For students that have pursued a Liberal Studies with EC-6 degree, there is an option for completion of the Master’s Degree while completing the EC-6 portion of the program. All information about this option is located in the Education Section of both the Undergraduate Catalog and Graduate Catalog.

**Liberal Studies with Education Cluster programs placed in the School of Education addendum section.

Mission

The School of Education is dedicated to a mission of education and human services and seeks to prepare students who will become leaders in their professions. The Departments of Undergraduate Education and Kinesiology offer programs in the fields of teaching, recreation, exercise science, and athletic training. Students in both departments are afforded early and continuous practical involvement in environments where they can practice their newly acquired knowledge and skill.

Mission

The undergraduate Department of Education is committed to the preparation of reflective professionals who are knowledgeable in working collaboratively in diverse educational settings. To that end, the Department provides a student-centered, intellectual environment that promotes quality instruction and research.

Our graduates will:

Acquire and demonstrate knowledge, skills, and understanding of appropriate best practices, support and create environments for excellence in teaching and learning, and participate in and contribute to complex diverse settings.

Accreditation

The Texas Wesleyan University Department of Education is accredited by the State Board of Educator Certification (SBEC/Texas Education Agency (TEA)).

**Teacher Education Program**

The primary purpose of teacher education is to prepare highly qualified teachers for Texas and the nation. The goal of Texas Wesleyan University’s Teacher Education Program is to develop teachers who:

- Possess the knowledge and skills required to deliver age-appropriate content;
- Possess the specialized knowledge and abilities required to deliver content specific instruction;
- Communicate effectively with students, parents, and other professionals in a range of formats;
- Apply the principles of instruction and assessment in the delivery of curriculum;
- Use effective teaching practices;
- Value and encourage critical thinking and problem solving;
- Use instructional technology to skillfully promote learning;
- Uphold the ethics of the teaching profession;
- Are committed to continued professional growth and development;
- Actively participate in the democratic process in school and community affairs.

The Teacher Education Program at Texas Wesleyan University, through the General Education Curriculum, encourages its graduates to display the following characteristics:

- A firm grounding in the liberal arts tradition;
- A familiarity with the leading ideas and texts of our civilization;
- An understanding of how ideas formulated in previous centuries and in other cultures influence current thought;
- An appreciation of the philosophical, historical, and economic heritage of the United States;
- A value of the processes that have allowed the above ideas to come to fruition;
- An ability to encourage similar values in their own students.

**ADMISSION TO THE TEACHER EDUCATION PROGRAM**

All students interested in entering the Teacher Education Program are responsible for reading this addendum and complying with the requirements stated herein.

University admission and admission to the undergraduate education programs require different admissions criteria. Thus, admission into the university does not guarantee admission into the undergraduate programs.

**Admission Criteria**

- Minimum 2.5 Overall GPA;
- THEA Scores of: Reading=260, Mathematics=230, Writing=220 for details about THEA exemptions see page 192 of the 2013-2015 Undergraduate Catalog;
- For all candidates:
  - Meet TEA requirements through a screening and interview process as part of entrance to the program;
- For EC-6 Candidates (including EC-6/ESL, EC-6 Bilingual, Liberal Studies with EC-6 Education Cluster):
  - Provide evidence of 6 hours in each field-English, social studies, mathematics, and science;
For Secondary Candidates:
- Provide evidence of 12 hours in content area (area of specialization);
- These are TEA requirements:
- Demonstrated proficiency in oral English by obtaining a grade of "B" or better in a fundamental speech course;
- Completed at least 9 hours of university English or the equivalent with grades "C" or better;
- To be admitted into the EC-6 Bilingual Program, prospective students are required to demonstrate Spanish language proficiency. For the purpose of program admissions, Spanish proficiency is defined as:
  - Grades of A or B in SPN 1341 Spanish I, SPN 1342 Spanish II, SPN 2313 Intermediate Spanish I, and SPN 2314 Intermediate Spanish II or test equivalent;
  - Passing Score (700 or above) on the Web Based WebCape Exam, Spanish Version. Students are only allowed to take the WebCape exam once. Students who do not receive a passing score on the WebCape Exam are required to take SPN 2321;
  - Students must receive a grade of A or B in SPN 2321 in order to be admitted into the EC-6 Bilingual Program. SPN 2321 can be retaken once;
- Passing grade in EDU 2300 Foundations of Education.

Continued Enrollment in the Teacher Education Program

Admission to the Teacher Education Program is granted for five years provided the student maintains a 2.5 grade point average while in the program, both overall and in major course work. A student requiring longer than five years to complete certification requirements will be required to reapply for admission to teacher education through the Teacher Certification Officer.

Students must obtain a grade of “C” or better in all education and reading courses in order to continue enrollment in all undergraduate education programs. The Teacher Education Program will not accept for transfer credit any reading or education course in which the student’s grade is below a “C.”

Texas Higher Education Assessment (THEA) Requirements

To be admitted into the Teacher Education Program and hence to enroll in education and/or reading courses other than EDU 2300, a student must pass all sections of the THEA.

THEA—Passing Standards:
- Reading: 260
- Mathematics: 230
- Writing: 220

THEA scores must not be more than five years old. Students may retake the THEA as many times as needed. The test is administered at various sites throughout the state, including Texas Wesleyan University, Tarrant County College and Hill College. THEA registration booklets are available online at www.thea.nesinc.com.

THEA Exemptions: Students may be exempt from the math and writing sections under certain conditions. There are no exemptions from the reading portion of the THEA.
• American College Test (ACT)—Composite score of 23 or higher, with English and mathematics scores of 19 or higher.
• Scholastic Achievement Test (SAT)—For tests taken after April 1995, a combined score of 1070 or higher, with verbal and mathematics scores of 500 or higher.
• Texas Assessment of Knowledge and Skills (TAKS) exit level—English language arts score of 2200 or higher, mathematics score of 2200 or higher, and writing score of 3 or higher.

Note: Scores on the ACT and SAT must have been achieved no more than five years prior to, and TAKS scores no more than three years prior to, the time the individual applies for admission to the teacher education program.

THEA Exemptions Based on University Level Coursework

Writing—Students may also be exempt from the writing section of THEA by earning a grade of “B” or higher in one of the following related courses:

• English Composition and Rhetoric;
• English Composition and Literature; or
• A 2000 level Literature course (English Delivery).

Mathematics—Students may also be exempt from the math section of THEA by earning a grade of “B” or higher in one of the following related courses:

• College Mathematics;
• College Algebra;
• Plane Trigonometry.

EDU 2300 Foundations of Education

To be admitted to the Teacher Education Program, a student must successfully complete EDU 2300 Foundations of Education. This course should be completed during the second semester of the sophomore year for students applying for freshman admission, or during the first semester at Texas Wesleyan University for students applying for transfer admission.

Formal application to the Teacher Education Program is made while students are enrolled in EDU 2300.

To enroll for EDU 2300, a student must have a 2.5 GPA. Passing scores on the THEA are not required to enroll in EDU 2300. To receive a grade in EDU 2300, students must pass all sections of the Texas Higher Education Assessment (THEA). Students who do not pass all sections of the THEA prior to the end of the semester in which they are taking EDU 2300 will receive a grade of a “T”.

A student who receives a grade of a ‘T’ in EDU 2300 will not be allowed to register for any Education and/or Reading course until the ‘T’ is removed.

Only students who have completed all THEA requirements and have at least a 2.5 GPA may take six additional semester hours of 3000 level Education and/or Reading courses while enrolled in EDU 2300.
Only students who have earned an Associate degree from an accredited community college with a GPA of 3.0 or higher, but who have not passed all THEA exams, may take nine additional hours of 3000 level Education and/or Reading courses while enrolled in EDU 2300 with advisor approval. If a student receives a “T” in EDU 2300, then all education courses taken concurrently will also receive “T” until EDU 2300 requirements are satisfied.

Students must pass EDU 2300 and EDU 3431 or EDU 3432 before taking any 4000 level Education or Reading courses.

FIFTH YEAR OPTIONS

Bachelor of Science or Arts/Master of Education
Standard Texas Certificate

The 5th Year Option B.S. or B.A./M.Ed. program provides students with an undergraduate degree in education and with a Master in Education degree with a concentration in Gifted and Talented Education, or Reading Education, or in Second Language Education and Culture. By meeting requirements for the two degrees simultaneously, students are able to earn the B.S. or B.A./M.Ed. in a shorter length of time than if each of these degrees were pursued separately. The combined B.S. or B.A./M.Ed. degree program gives students who plan to become Texas certified teachers the capability to complete the certification program hours of study required by the Texas State Board of Education. The two degrees may be completed in approximately five years. Enrollment must be continual and in consecutive semesters. Applicants are initially admitted
into the Teacher Education Program and must follow the degree requirements of the program. Students must apply for the M.Ed. program after completing 90 hours. Applicants to the 5th Year Option degree program must meet the admission requirements of both the undergraduate and the graduate programs, and follow the application procedures for the respective programs.

A Fifth Year Option education student will be transitioned from undergraduate (UG) status to graduate (GR) status by the Registrar’s office at the time of his/her graduation from the undergraduate program. The student will be allowed to enroll in up to 9 hours of graduate classes during his/her final undergraduate semesters. These classes will not count towards the undergraduate hours, but will count towards the graduate hours; these classes will be moved to the appropriate transcript by the Registrar’s office. The student will continue to receive undergraduate financial aid through the final semester of undergraduate course work (generally when student teaching takes place). The student’s first semester as a graduate student will be immediately following degree posting and consist of only graduate classes. At that time, his/her account will be coded as a GR student and managed accordingly by the Financial Aid office. Any questions regarding aid awards as a graduate student should be directed to the Office of Financial Aid.

Additional information on admission criteria, the admission process, and graduation from the program may be found in the Texas Wesleyan University Graduate Catalog.

**Bachelor of Science/Master of Education**
**Liberal Studies with Education Cluster**

The Fifth Year Option B.S/M.Ed. program provides students with an undergraduate degree in Liberal Studies Bachelor of Science with Generalist EC-6 Education cluster and with a Master in Education degree with a concentration in Gifted and Talented Education, or Reading Education, or in Second Language Education and Culture. By meeting requirements for the two degrees simultaneously, students are able to earn the B.S./M.Ed. in a shorter length of time than if each of these degrees were pursued separately. The combined B.S./M.Ed. degree program gives students who plan to become Texas certified teachers the capability to complete the certification program hours of study required by the Texas State Board of Education. The two degrees may be completed in approximately five years. Enrollment must be continual and in consecutive semesters. Applicants are initially admitted into the Teacher Education Program and must follow the degree requirements of Liberal Studies Bachelor of Science with Generalist EC-6 Education cluster. Students must apply for the M.Ed. program after completing 90 hours. Applicants to the Fifth Year Option degree program must meet the admission requirements of both the undergraduate and the graduate programs, and follow the application procedures for the respective programs.
Available to Wesleyan undergraduate who are Liberal Studies Bachelor of Science with Generalist EC-6 Education cluster, the Fifth Year Option allows outstanding students to combine a bachelor’s degree with the Master of Education (M.Ed.), completing both in five years.

To be considered for admission to the Fifth Year Option, students must submit a Fifth Year Option application after they complete 90 hours at the University. Only Fifth Year Option applicants demonstrating superior undergraduate academic performance and strong recommendation for faculty members will be considered for admission to the Fifth Year Option.

If admitted to the Fifth Year Option, a student may complete up to 9 semester hours of the M.Ed. program during the fourth year of undergraduate study. The student’s Liberal Studies Bachelor of Science with Generalist EC-6 Education cluster will be posted and the student will continue in the M.Ed. program. During the fifth year at Texas Wesleyan University, the student will complete the remaining semester hours and requirements toward the M.Ed. degree, graduating with the M.Ed.

Enrollment in the Fifth Year Option must be continual and in consecutive semesters. If a Fifth Year Option student does not enroll continuously or consecutively, his/her degree plan will default to the standard 36-hour M.Ed. program.

Additional information on admission criteria, the admission process, and graduation from the program may be found in the Texas Wesleyan University Graduate Catalog.

OTHER PROGRAMS

Certification-Only Program

The purpose of this program is to provide individuals with a completed Texas Wesleyan undergraduate degree a means by which to obtain initial Texas teacher certification. This program does not lead to a master’s degree.

The program offers the following certifications:

Generalist EC-6 (for qualified Wesleyan students only)

Admission Requirements

- Bachelor’s degree from Texas Wesleyan University;
- 2.5 GPA;
- THEA Exam Scores as follows:
  - Reading = 260
  - Writing = 230
  - Mathematics = 220;
- 42 hours of education/reading coursework;
- 24 hours of combined undergraduate level English, Mathematics, Social Studies, and Natural Science or related fields. (A minimum of at least 3 hours in each field).

Recommendation for Certification

A candidate recommended for certification by Texas Wesleyan University must meet all state of Texas requirements governing teaching certification as described in the 2013-2015 Undergraduate Catalog and by the Texas Education Agency.

- The program must be completed within five years from the date of admission;
- A cumulative GPA of at least 2.5 in all education/reading coursework;
- Completion of all Certification-Only course requirements with a grade of “C” or better is required;
- Successful Completion of EDU 4608 Student Teaching or EDU 4614 Post Baccalaureate Internship;
- Passing scores on all required licensing exams (TExES) pertaining to the candidate’s area of certification must be achieved.

MAJORS/DEGREES

Athletic Training—Bachelor of Science in Athletic Training
Exercise Science—Bachelor of Science

Mission

The mission of the Texas Wesleyan University Department of Kinesiology is to provide a balanced education for all students. The Exercise Science, Athletic Training, Coaching and Recreation Diving Management curricula are designed to ensure that students emerge with solid vocational skills and are well grounded in the liberal arts tradition. The faculty is dedicated to the development of students skilled in practical and scholarly applications in the subject matter areas and individuals who are positive contributors to society. The department’s unique role in the General Education Curriculum is to build the attitudes and behavioral patterns within all Texas Wesleyan University students that are needed to live full and healthy lives.

MAJORS/DEGREES

Athletic Training Program (ATP)

ATP MISSION

The mission of the Texas Wesleyan University Athletic Training Program is to develop quality athletic training students who are capable of providing the highest standard of care for the physically active community. The program is dedicated to challenging both the mind and the spirit in the development of a lifelong desire for knowledge. The combination of curricular and clinical activities is designed to produce graduates who are highly qualified for employment in a wide variety of practice settings and leaders in the athletic training profession.
ATP ACCREDITATION

This program is accredited by the Commission on Accreditation of Athletic Training Education (CAATE), 2201 Double Creek Drive, Suite 5006; Round Rock, TX 78664; 512/733-9700.

ATP PROGRAM DESCRIPTION

The Department of Kinesiology offers students the opportunity to specialize in the Allied Health Profession of Athletic Training. Students are admitted to the program according to University policies as well as regulations set forth by the Board of Certification (BOC) for the Athletic Trainer and the Texas Department of Health Advisory Board of Athletic Trainers. The Athletic Training Program (ATP) requires a minimum of two years of clinical experience constituting 40 to 300 clock hours per semester. Upon completion of the baccalaureate degree the graduate will be qualified to take the State of Texas Athletic Trainers Advisory Board Licensure Examination. This program is accredited by the Commission on Accreditation of Athletic Training Education (CAATE), 2201 Double Creek Drive, Suite 5006; Round Rock, TX 78664; 512/733-9700, which means the student is also qualified for the BOC Certification Examination. Although this program does not provide all of the necessary prerequisites for medical, physical therapy, or occupational therapy school, students interested in these other avenues of sports medicine will be provided with early hands-on experience in preparation for upcoming post baccalaureate programs.

ATP TECHNICAL STANDARDS (PHYSICAL REQUIREMENTS)

Athletic Training is a physically, mentally and emotionally demanding allied health care profession. Students must be able to carry equipment, stand for extended periods, and endure harsh weather conditions. Many of the mandatory clinical integration proficiencies require the ability to kneel, lift, carry and visually observe activities. The successful student must have functional use of lower and upper extremities and be able to see with or without corrective lenses. Each Athletic Training Student is expected to maintain an appropriate fitness level to reduce the chance of injury and enhance the opportunity for successful completion of clinical proficiencies.

Many of the mandatory clinical rotation sites are off-campus. Students are required to provide their own transportation to these sites. Students may be subject to a background check and or drug test prior to admission to some of these affiliated sites. Students are referred to the Texas Wesleyan University Athletic Training Program Student Handbook for additional information.

Upper level students may be required to travel under the supervision of a clinical preceptor as a part of a clinical experience. Some travel will require weekend or overnight stays.

ATP ADMISSION REQUIREMENTS

Freshman or transfer students indicating a major in Athletic Training must enroll in ATR 2309 (Introduction to Athletic Training – Field Problems I) during the first semester of the declared major. In addition to ATR 2309, students must complete EXS 2203 (First Aid), BIO 1340, 1140, 1341, and 1141 (Anatomy and Physiology I and II), ATR 2307 (Care and Prevention of Athletic Injury), and ATR 2107 (Taping and Wrapping Practicum) during the first year of the declared major. ATR 2309 is offered every Fall and Spring. EXS 2203 is offered in the Fall. ATR 2307 and 2107 are offered in the Spring.
Transfer students may complete the freshman and sophomore course requirements at another institution providing those courses meet university policy on transfer credit. Prior clinical experience will be considered on an individual basis.

Students may declare athletic training as a major upon admission to the university. However, all students must be admitted to the ATP clinical program before they can participate in hands-on patient interaction. Students may apply to the clinical program after meeting the entrance requirements below. Exceptional students may be invited to apply to the program a semester early if they exceed minimum grade requirements and demonstrate a high level of professionalism and integrity.

Once admitted to the clinical education phase of the ATP, the student will be assigned to work under the supervision of one or more clinical preceptors. The enrollment in the clinical program is limited to eight (8) students for each clinical preceptor. Therefore the maximum number of athletic training students maintained in the clinical program at any one time will be limited.

Entrance to the professional preparation phase is competitive. Application scores are based on GPA, faculty recommendations, student application letter, and timely completion of the application process. Once the applicant has submitted all of the required materials the ATP admissions committee, consisting of ATP faculty, on campus Approved Clinical Preceptors and one non-ATP faculty member will meet to review materials and rank them with a numerical score. Applicants with the highest overall application scores will be given preference when clinical space is limited. The application process includes the following:

Acceptance Criteria

- Completion of EXS 2203, ATR 2107, ATR 2307, ATR 2309 with a grade of “B” or better. (A grade of B is a minimum requirement for consideration. A grade of A receives more points toward admission.)
- Completion of BIO 1340, BIO 1140, BIO 1341, and BIO 1141 with a grade of “C” or better. (A grade of C is a minimum requirement for consideration. Grades of A or B receive more points toward admission.)

Required Documentation

- Letter to the Athletic Training Program Director indicating a desire to seek a career in Athletic Training and a request for admission to the clinical portion of the program.
- Current transcript as proof of GPA for the previously listed course requirements.
- Completed recommendation form from a classroom professor
- Proof of student liability insurance
- Proof of Hepatitis B vaccine (series must have been started) and other required inoculations (refer to the current Texas Wesleyan University Athletic Training Program Student Handbook).
- Completed medical history and physical examination. (All medical information will remain confidential and kept with the student file in a locked cabinet.)

Once admitted to the Professional Preparation Phase of the clinical program, students must continue to meet all requirements for retention in the program. Included in these requirements are the maintenance of a
minimum of 2.0 overall GPA and a 2.50 GPA within Athletic Training specific coursework. Students must make no less than a “C” in Athletic Training (ATR) courses to progress through the program. Other specific requirements are found in the Texas Wesleyan University Athletic Training Program Student Handbook given to each student upon entrance to the ATP.

**Admissions policies for ATP updated and clarified.

Exercise Science Program (ExS)

The mission of the Texas Wesleyan University Exercise Science degree program is to develop quality exercise science professionals who are capable of providing the highest standard of service to the general population. Our goal is to produce graduates who are knowledgeable as exercise specialists and wellness educators. The Exercise Science Program provides curriculum content that integrates theory, research, and clinical practice to prepare students to function professionally as exercise specialists in health/fitness clubs, corporate health promotion programs, and clinical rehabilitation settings. This program is also designed to provide prerequisite knowledge for continued education in Physical Therapy, Occupational Therapy, or Medicine.

Graduation and Progress requirements:
The Exercise Science student must maintain a minimum of a 2.50 GPA within their Exercise Science (ExS) specific coursework and complete each course with no less than a “C” to continue to progress through the program and be granted a degree.

Exercise Science Bachelor of Science

General Education Curriculum .................................................45-46

The General Education Curriculum (GEC) is listed on page 38 of this addendum.

MAT 1302 or MAT 1304 is acceptable for the GEC math requirement.

Some courses listed in program “Major Requirements” or “Required Related Courses,” (noted with an asterisk [*]), may be used to meet requirements in the GEC. Although these courses fulfill requirements in each area, credit hours for these courses, if taken for the GEC, may only be counted in the GEC.

For complete Graduation Requirements, see page 103 of the 2013-2015 Undergraduate Catalog.

Transfer students who have 60 or more hours of academic credit, including college algebra and 8 hours of introductory biology for majors, and a cumulative GPA of 3.25 may be allowed to enroll in upper division (3000 level or above) biology courses concurrently with sophomore (2000 level) courses. Transfer students who have 45 or more hours of academic credit with a cumulative GPA of 3.5, but who have not completed introductory biology for majors, may take the required freshman (1000 level) and sophomore courses simultaneously. This must be approved by the student’s advisor and the instructor of the higher-level course.

The Biology Core consists of BIO 1321, 1322, 2324, and 2341 and their associated laboratories (BIO 1121, 1122, 2124, 2141). To enroll in any advanced biology course (3000 level or higher), students must have at minimum completed the Biology Core and General Chemistry (Chemistry 1315/1115 and 1316/1116) or their transfer equivalents with a grade of C or better in each of the courses listed above. Additional course-specific prerequisites will still apply.

EARLY ADMISSION PROGRAMS
UNIVERSITY OF TEXAS HEALTH SCIENCE CENTERS WITH TEXAS WESLEYAN UNIVERISTY

Biology and Dental Early Admission Program
3+4 Dual Degree
Bachelor of Science/
UTHSCSA Doctor of Dental Surgery

Texas Wesleyan students who have completed fewer than 30 hours of undergraduate coursework and who meet state residency requirements may apply to University of Texas Health Science Center at San Antonio (UTHSCSA) Dental School for admission into this program. If accepted, the student will complete a three-year course of study at Texas Wesleyan University and satisfy the GPA and exam requirements of this program in order to start four years of dental school at the University of Texas Health Science Center at San Antonio (UTHSCSA).

Following successful completion of the 3+4 program, the student will be awarded the B.S. degree from Texas Wesleyan University (after one year of dental school) and the D.D.S. degree from UTHSCSA upon completion of the entire dental school curriculum. Contact the Director of the M.D. Anderson Pre-Professional Program and/or the Department Chair for more information.

The Biology Core consists of BIO 1321, 1322, 2324, and 2341 and their associated laboratories (BIO 1121, 1122, 2124, 2141). To enroll in any advanced biology course (3000 level or higher), students must have at minimum completed the Biology Core and General Chemistry (Chemistry 1315/1115 and 1316/1116) or their transfer equivalents with a grade of C or better in each of the courses listed above. Biology and Biomedical Sciences Dual Degree
Bachelor of Science/UNTHSC Masters of Science

Students who have completed fewer than 30 hours of undergraduate coursework may apply to this program. If accepted, the student will complete a three-year course of study at Texas Wesleyan University with no fewer than 105 credit hours, and then two years of graduate school at the University of North Texas Health Science Center (UNTHSC) in one of the following three tracks, Biotechnology, Clinical Research Management or Forensic Genetics.

Early admission to UNTHSC is guaranteed to the Wesleyan students who have been accepted to the program and maintain the admissions standards while completing the program requirements mandated by both institutions. Following successful completion of the fourth year of the program, the student will be awarded the B.S. degree from Texas Wesleyan University and upon completion of the fifth year at UNTHSC the M.S. degree from UNTHSC.

The Biology Core consists of BIO 1321, 1322, 2324, and 2341 and their associated laboratories (BIO 1121, 1122, 2124, 2141). To enroll in any advanced biology course (3000 level or higher), students must have at minimum completed the Biology Core and General Chemistry (Chemistry 1315/1115 and 1316/1116) or their transfer equivalents with a grade of C or better in each of the courses listed above. Additional course-specific prerequisites will still apply.

GENERAL EDUCATION CURRICULUM ........................................................ 37

The General Education Curriculum (GEC) is listed on page 38 of this addendum. With the approval of the academic advisor, nine hours of these requirements will be selected for waiver. A GEC literacy may not be completely waived. Courses must be completed in every literacy.

Only MAT 1302 is acceptable for the GEC math requirement.

Some courses listed in program “Major Requirements” or “Required Related Courses” (noted with an asterisk [*]) may be used to meet requirements in the GEC. Although these courses fulfill requirements in each area, credit hours for these courses, if taken for the GEC, may only be counted in the GEC.

Course Descriptions

All courses offered by the University on the main campus are listed in this section. For a listing and descriptions of graduate courses, please refer to the Texas Wesleyan University Graduate Catalog.

Numbering System. Each course is identified by means of a course prefix and a four-digit number. The first digit indicates course level, the second digit indicates credit hours, and the third and fourth digits indicate sequence.

- 0001-0099 Pre-college preparatory (no college credit given)
- 1000-1999 Freshman-level courses
- 2000-2999 Sophomore-level courses
- 3000-3999 Junior-level courses
- 4000-4999 Senior-level courses
- 5000-6999 Graduate-level courses
- 8000 and above Doctoral-level courses
- XXXXH Honor courses

Course Levels. The first digit of a course number indicates course level.

- 1000 level These courses are broad surveys or an introduction to a discipline. They do not have prerequisites, unless it is a sequential course.
- 2000 level These courses are introductions to, or principles of, areas of study within a discipline. They may or may not have prerequisites.
- 3000 level These are advanced courses, providing depth of study in a specialized topic, or pre-practicums. They often have prerequisites, or assume readiness for advanced level study.
- 4000 level These are highly specialized courses, capstone seminars, or capstone practicums. Prerequisites, a level of readiness, or advancement within the major may be required for this advanced level work.
- 5000 level and higher (graduate courses) These are courses which develop the practitioners, creators, and originators of knowledge within a discipline. The courses are progressively more advanced in academic content than undergraduate courses and foster independent learning.

Students with senior standing may register for certain 5000 or 6000 level graduate courses with the consent of the dean of the school in which the course resides (see page 112 of 2013-2015 Undergraduate Catalog).

Course Prefixes. The prefixes used to designate courses are abbreviations of the names of departments or of fields of study within the departments.

Cross-Listed Courses. Certain courses may be cross-listed, which means that students receiving credit in different disciplines may be enrolled in the same course. The course prefix and number appearing in parentheses, ( ), after the courses title designate the cross-listing(s) of a course, if any.

Former Course Numbers. If the content of a course and/or its title changes, a new course number may be assigned and students may enroll in the new course to complete a degree requirement requiring the former. The former course number will appear in parentheses, ( ), after the new title in the course listing.
Honors Courses. Some regular courses may be offered with an “honors” component. These courses require additional assignments in order to earn “honors” credit.

Prerequisites. A prerequisite is any special requirement, usually one or more background courses or requirements, which must be met before enrolling in a course specifying the prerequisite.

Special Topics. Special topics may be offered at a level of 2000 or higher in any department; credit hours may range from one to four hours credit. The third and fourth digits in the number listing for these courses will be 99. Approval of the proposed special topics course by the dean of the school is required prior to scheduling the course. This course may be repeated with change of topic.

Undergraduate/Graduate Cross-Listed Courses. Certain courses are cross-listed in the same discipline on the undergraduate and graduate levels. If a student completes a cross-listed course as an undergraduate, the student cannot later take the same course for graduate credit.

Academic Success Experience (ASE)

These courses cannot be used to fulfill degree requirements.

1311. The College Success and American Cultural Experience 3 hours
This is a mandatory course for non-native speakers of English placed into the Linguistic Diversity Student Bridge Program and is taken in place of ASE 1111. This course is designed to address issues related to the successful transition to the American system of higher education. Campus orientation, college level study skills, and other transitional issues are covered, with expanded content related to American higher education and culture including U.S. classroom expectations.

Aerospace Studies (AER)

1100. Leadership Laboratory 1 hour
Fall/Spring. The Leadership Laboratory (LLAB) also includes studying the environment of an Air Force officer and learning about areas of opportunity available to commissioned officers. LLABs also include interviews, guidance, drill, customs and courtesies and other information which will increase the understanding, motivation, and performance of other cadets. The AER 3313 and AER 4313 LLABS consist of activities classified as leadership and management experiences. They involve the planning and controlling of military activities of the cadet corps; and the preparation and presentation of briefings and other oral and written communications.

1101. Foundation of the U.S. Air Force I 1 hour
Fall/Spring. A survey course designed to introduce students to the U.S. Air Force and Air Force ROTC. Featured topics include: mission and organization of the Air Force, officership and professionalism, military customs and courtesies, Air Force officer opportunities, group leadership problems, and an introduction to communication skills. An additional, mandatory Leadership Laboratory (AER 1100) complements this course by providing cadets with followership experiences.

2101. The Evolution of U.S. Air and Space Power I 1 hour
Fall/Spring. A survey course designed to examine general aspects of air and space power through a historical perspective. Utilizing this perspective, the course covers a time period from the first balloons and dirigibles to the space-age global positioning systems of the Global War on Terror. Historical examples are provided to extrapolate the development of Air Force distinctive capabilities and missions (functions) to demonstrate the evolution of what has become today's USAF air and space power. Furthermore, the course examines several fundamental truths associated with war in the third dimension e.g. Principles of War and Tenets of Air and Space Power. As a whole, this course provides the student with an understanding for the general elements and employment of air and space power, from an institutional, doctrinal, and historical perspective. In addition, the students will continue to discuss the importance of the Air Force Core Values with the use of operational examples and historical Air Force leaders and will continue to develop their communication skills. An additional, mandatory Leadership Laboratory (AER 1100) complements this course by providing cadets with continued followership and beginning leadership experiences.

3313. Leadership Studies 3 hours
Fall/Spring. Case studies are used to examine Air Force leadership and management situations as a means of demonstrating and exercising practical
application of the concepts being studied. An additional, mandatory Leadership Laboratory (AER 1100) complements this course by providing advanced leadership experiences in officer-type activities, giving students the opportunity to apply leadership and management principles of this course.

4313. National Security Affairs/Preparation for Active Duty 3 hours
Fall/Spring. Special topics of interest focus on the military as a profession, officership, military justice, civilian control of the military, preparation for active duty, and current issues affecting military professionalism. Within this structure, continued emphasis is given to refining communication skills. An additional, mandatory Leadership Laboratory (AER 1100) complements this course by providing advanced leadership experiences, giving students the opportunity to apply the leadership and management principles of this course.

Art (ART)

2320. Darkroom Photography (FAR 2320) 3 hours
Especially designed for any major, this course offers experiences using 35mm film cameras, a brief overview of select historic and contemporary photographers, and printing photographs in the darkroom. Class meets 3 hours per week, though some work will occur outside of class time. No camera required. Art studio fee applies.

2322. Digital Photography (FAR 2322) 3 hours
Designed for students of any major. Learning and utilizing the tools of digital camera, scanner, Photoshop software, and outputting devices, this course offers a variety of photographic experiences culminating in a portfolio of digital images exploring meaningful personal vision/interest. A brief overview of select historic and contemporary photographers, visual culture, and technological implications is included. Class meets 3 hours per week, though some work will occur outside of class time. No camera required. Art studio fee applies. No pre-requisite.

3317. Advanced Photography 3 hours
Prerequisite: ART 2320, 2322 or consent of instructor
Employ advanced still photography and/or darkroom techniques. Emphasis on artistic and journalistic uses of the camera. Class meets 6 hours per week. May be repeated once for credit. Art studio fee applies.

Athletic Training (ATR)

(Prior to Summer 2011 ATR courses were listed with the prefix KIN or ESS)

2107. Supportive Taping and Wrapping Practicum (KIN 3107) 1 hour
Prerequisite: ATR 2307 or concurrent enrollment
A laboratory practicum emphasizing skill acquisition in the application of protective taping and wrapping techniques used in the athletic training setting. Includes a minimum of 80 hours of clinical observation and supervised skills practice in the athletic training setting.

2309. Introduction to Athletic Training - Field Problems I 3 hours
Prerequisite: instructor approval
This is the first of four courses which study the responsibilities necessary for proper utilization of athletic training facilities, equipment, and supplies. First or second semester athletic training students are required to participate in on-campus and/or off-campus clinical observation activities for a total of
40 clinical hours during the semester. Students are also required to attend seminar lectures and meet at regularly scheduled times for lecture or study sessions in medical terminology. This course must be satisfactorily completed before a student can continue into their second year of clinical studies.

3308. Athletic Injury Evaluation 3 hours
Prerequisite: ATR 2307, ATR 2309
A study of the various techniques for assessment and evaluation of athletic injury. Emphasis is placed on techniques for orthopedic and neurological evaluation of the upper extremity, head, and face.

3108. Injury Evaluation Laboratory 1 hour
Prerequisite: ATR 3308 or concurrent enrollment
A laboratory practicum emphasizing skill acquisition in athletic injury evaluation techniques used in the athletic training setting. Emphasis is placed on the upper extremity, thorax, cervical spine, head, and face. Requires a minimum of 80 supervised clinical hours in the athletic training setting. Clinical sites may be on- or off-campus. Students must provide their own transportation. An additional fee to this course is applied to the invoice.

3309. Field Problems in Athletic Training II 3 hours
Prerequisite: instructor approval, admission to the clinical phase of the athletic training program, and ATR 2309, ATR 2107, ATR 3108, and ATR 3118
Study of athletic training room or clinic practices and procedures. Practicum hours involve football or other equipment intensive sport at a local high school, sports medicine clinical experience, and/or internship with one of the local professional or semi-professional athletic teams under the supervision of a licensed and certified athletic trainer. Total hour requirement should meet a minimum of 20 hours per week, totaling 300 hours per semester. Students are also required to attend seminar lectures periodically during the semester and meet at regularly scheduled times for lecture or round table discussion on topics in athletic training. Students must provide their own transportation.

3318. Athletic Injury and Illness Evaluation II 3 hours
Prerequisite: ATR 3308, ATR 3108
A study of various techniques for assessment and evaluation of athletic injury and illness. Emphasis is placed on techniques for assessment and evaluation of the lower extremity and gait.

3118. Injury and Illness Evaluation Laboratory 1 hour
Prerequisite: ATR 3318 or concurrent enrollment
A laboratory emphasizing skill acquisition in athletic injury evaluation techniques used in the athletic training setting. Emphasis is placed on techniques for assessment and evaluation of the lower extremity and gait. Requires a minimum of 80 supervised clinical hours in the athletic training setting. Clinical sites may be on- or off-campus. Students must provide their own transportation. An additional fee to this course is applied to the invoice.

3340. General Medical Concepts in Athletic Training 3 hours
This course is a study of general medical conditions, pharmacology, and medical terminology as they relate to the profession of athletic training. The course will cover the knowledge and skills necessary for effective performance as an entry-level certified athletic trainer as prescribed by the most recent edition of the National Athletic Trainers’ Association Athletic Training Educational Competencies. This class may meet off-campus.
4240. Organization and Administration in Sports Medicine 3 hours
This course is a study of concepts and application to the management of sports medicine programs. Special emphasis is placed on clinical ethics, conflict resolution strategies, facility design, budgeting, and insurance. The course will cover the knowledge, skills and foundational behaviors of professional practice necessary for effective performance as an entry-level certified athletic trainer as prescribed by the most recent edition of the National Athletic Trainers’ Athletic Training Educational Competencies. Students will be required to complete application for the Texas State licensure examination and BOC national certification examination. Additional fees of approximately $740 are not collected with tuition.

4304. Therapeutic Modalities 3 hours
Prerequisites: ATR 2307, ATR 3308, ATR 3108, ATR 3318, ATR 3118
A study of techniques in the use of modality agents such as cryotherapy, hydrotherapy, mechanical therapy, and electrotherapy. Emphasis is placed on the scientific basis of use and physiological effects of the various modalities on specific tissues and injuries.

4104. Therapeutic Modalities Laboratory 1 hour
Prerequisite: ATR 4304 or concurrent enrollment
A laboratory emphasizing skill acquisition in the use of therapeutic modalities used in the athletic training setting. Requires a minimum of 80 supervised clinical hours in the athletic training setting. Clinical sites may be on- or off-campus. Students must provide their own transportation. Additional fee to this course is applied to the invoice.

4305. Therapeutic Exercise Techniques 3 hours
Prerequisite: ATR 2307, ATR 3308, ATR 3108, ATR 3318, ATR 3118
A study of common and evidence-based therapy techniques of injury rehabilitation. Clinical techniques in muscle testing and biomechanics are combined with a study of the biomechanical, and physiological effects of specific exercise techniques on tissue healing and improvement of strength, range of motion, and proprioception.

4105. Therapeutic Exercise Techniques Laboratory 1 hour
Prerequisite: ATR 4305 or concurrent enrollment
A laboratory emphasizing skill acquisition in directing and developing therapeutic exercise programs used in the rehabilitation of athletic injuries. Requires a minimum of 80 supervised clinical hours in the athletic training setting. Clinical sites may be on- or off-campus. Students must provide their own transportation. Additional fee to this course is applied to the invoice.

4309. Field Problems in Athletic Training III 3 hours
Prerequisite: instructor approval, admission to the clinical phase of the athletic training program, and ATR 2309, ATR 4104, and ATR 4105
Study of athletic training room or clinic practices and procedures. Practicum hours involve orthopedic sports medicine, physical therapy rehabilitation clinic, and general medicine clinical rotations. Total hour requirement should meet a minimum of 20 hours per week, totaling 300 hours per semester. Students are also required to attend seminar lectures periodically during the semester and meet at regularly scheduled times for lecture or round table discussion on topics in injury pathology. Students are required to furnish their own transportation. Additional fee to this course is applied to the invoice.

4313. Field Problems in Athletic Training IV 3 hours
Prerequisite: Senior standing, instructor approval, admission to the clinical phase of the athletic training program, ATR 3309, and ATR 4309
Capstone course for all athletic training students. Emphasis is placed on developing communication, organizational and autonomous skills required
of an entry level athletic trainer. Research topics in athletic training and evidence based practice will be a focus of individualized study. Practicum hours involve minimum requirement in the University athletic training room or travel with a University athletic team under the supervision of a clinical preceptor. Total hour requirement should meet a minimum of 20 hours per week, totaling 300 hours per semester. Completion of an academic portfolio is required. An additional fee to this course is applied to the invoice.

This course examines the sociological causes of criminal activity and ways to use social characteristics to identify criminal tendencies. Similarities between sociology and the crime scene investigation will be explored through examination of the way in which seemingly isolated events and random pieces of information are embedded in larger frames of social and informational significance that can have predictive relevance and meaning. This course explored the interpretive approach of semiology, the science of reading signs in the social world.

**Education (EDU)**

**2208. Fine Arts for Elementary Teachers** 2 hours
*Prerequisites: Successful completion or concurrent enrollment in EDU 2300*
This cross-disciplinary course is designed to develop, explore, and integrate vocabularies of the arts including architecture, dance, design, drama, literature, moving images, music, theatre, and the visual arts. Students can expect to demonstrate understanding in a number of ways in various projects. The culmination of the semester will be the presentation of final individual and group projects. Students can expect to document their experiences throughout the semester.
English (ENG)

4340. Senior Seminar/Portfolio 3 hours
Prerequisites: ENG 1301, 1302, and 3 hours of sophomore literature
An English capstone experience as final preparation for the workplace or graduate or professional school. Students will complete a professional dossier, write a substantial senior thesis, and prepare an electronic portfolio showcasing written work and reflecting on learning from academic work in the major. Students will work closely with supervising instructor to customize thesis and portfolio for post-graduation goals. Note: Course should be taken during the student’s final year.

4375H. Senior Portfolio/Honors Seminar in Literature 3 hours
Prerequisites: ENG 1301, 1302, 3 hours of sophomore literature, and acceptance into the English Department Honors Program
An English capstone experience as final preparation for the workplace or graduate or professional school. Students will complete a professional dossier and prepare an electronic portfolio showcasing written work and reflecting on learning from academic work in the major. They will also-as participants in the Departmental Honors Program-have the opportunity to study a selected literary topic in depth and begin work on a two-semester thesis. The topic and content of the thesis will be determined by instructor and student interest. The seminar may be taught by one professor or team taught.

4385H. Senior Portfolio/Honors Seminar in Writing 3 hours
Prerequisites: ENG 1301, 1302, 3 hours of sophomore literature, and acceptance into the English Department Honors Program
An English capstone experience as final preparation for the workplace or graduate or professional school. Students will complete a professional dossier and prepare an electronic portfolio showcasing written work and reflecting on learning from academic work in the major. They will also-as participants in the Departmental Honors Program- have the opportunity to study a selected topic in Rhetoric or Creative Writing in depth and begin work on a two-semester thesis. The topic and content of the thesis will be determined by instructor and student interest. The seminar may be taught by one professor or team-taught.

4386H. Honors Seminar and Thesis 3 hours
Prerequisite: ENG 4375H or ENG 4385H
The sequel to both ENG 4375 and ENG 4385, this Honors course provides students an opportunity to complete a critical thesis (concentrating on a particular idea, reading, writer, concept, or theory) or an extended creative writing project (e.g. a collection of stories). All these will be assessed by Department faculty, and students will be expected to make one public presentation of their work at University College Day or at a professional conference before graduation.

Exercise Science (EXS)

2201. Health and Physical Education Activities for Elementary Teachers 2 hours
This course is designed for students majoring in EC-6 Generalist Education and places emphasis on participation in games, sports, fitness, and movement for grades EC-6. Focus is placed on the health and physical education standards for Texas EC-6 generalists. Five (5) hours of participatory observation with children in schools is required. Students must provide their own transportation.
### Fine Arts (FAR)

**1309. Film Aesthetics** 3 hours  
An analysis of the communicative features of major films produced in the United States. A variety of genre, time periods, and styles are presented to examine film organization, structure, and content in relation to effective communication. Suggested to fulfill the general education fine arts requirement.

**2320. Darkroom Photography (ART 2320)** 3 hours  
Especially designed for any major, this course offers experiences using 35mm film cameras, a brief overview of select historic and contemporary photographers, and printing photographs in the darkroom. Class meets 3 hours per week, though some work will occur outside of class time. No camera required. Art studio fee applies.

**2322. Digital Photography (ART 2322)** 3 hours  
Designed for students of any major. Learning and utilizing the tools of digital camera, scanner, Photoshop software, and outputting devices, this course offers a variety of photographic experiences culminating in a portfolio of digital images exploring meaningful personal vision/interest. A brief overview of select historic and contemporary photographers, visual culture, and technological implications is included. Alma Mater

Hail to thee dear Texas Wesleyan,
from the heart I give my praise.
In the paths of high endeavor,
fame and fortune crown your days.

Streaming forth a line of splendor,
stalwart sons and daughters fair,
Living testimony render,
to the worthy name you bear.

~J.C. Denney
